New Cooke Work Site Begins

Cooke students have begun working at the Northville Public Schools Transportation Building. Justin McGeorge worked the first shift there. We are happy to partner with the staff at the Transportation Building.

Update From The Sheraton

Cole Trembath and Cory Kapanowski have been working with new employees hired by The Sheraton. Our Cooke Trainees are happy to work with new coworkers and continue to be very productive folding linens for the customers.

Cooke School Motto

I CAN Communicate I CAN Learn I CAN Work
