We Rock The Spectrum Kids Gym

At We Rock The Spectrum Kids Gym in Novi, our students assemble snack boxes that customers can purchase while at the gym.

No Greatness Without Goodness

Cooke School PTA purchased copies of the book No Greatness Without Goodness by Randy Lewis for holiday gifts for the private businesses that provide work experience for our Cooke student trainees. As the senior vice president of Walgreens, Randy Lewis created an inclusive work environment and employed thousands of people with disabilities at Walgreens. The books were given with the holiday cards made by Room 27. We received amazing feedback from our business partners .
