State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.
