Program Highlights: Student Interest Enrichment

This month, the WRAP Students had the opportunity to join several different activities. They were able to choose from music, art, and/or science. The science enrichment activity was based on creating a Macy's Thanksgiving Day Parade Balloon using a water bottle, balloon, vinegar, and baking soda. The students then decorated their balloons. The art activity involved learning about Pop Art and creating a Pop Art Turkey.

Program Highlights: Student Enrichment-Music

Students have continued to enjoy weekly music enrichment with Neighborhood Music. The students have learned to express themselves while learning about the foundations of music.

Program Highlights: Indigenous Peoples Month Awareness

Indigenous Peoples' Heritage Month is a time to honor and celebrate the culture, traditional practices, and customs of Indigenous Peoples. Students read a book about Dream Catchers and then created their own.

WRAP was open on Monday, 11/24/25 - Wednesday, 11/26.
