School Goals

In 2024-25, our school focused on academic goals related to math and literacy growth, attendance, writing, language acquisition for our emerging bilingual students, and universal positive behavior supports. School-wide initiatives included small group and 1:1 support, attendance initiatives and continuous monitoring, morning meetings and explicit teaching of CASEL competencies for social-emotional learning, and the review of math and reading best practices in professional learning communities for subsequent implementation in the classroom.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

Orengo recognizes the diversity and worth of all students, individuals and groups, and is committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, language, immigration status, ability, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment. We provide parent newsletters, translation services, and various systems to assist students, such as morning meetings & schoolwide counselor lessons.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. We are proactive and needs-based with our lessons for students. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

COMMUNITY ENGAGEMENT

Orengo Elementary is situated on the ancestral lands of the Tualatin Kalapuya people in the historic Orengo neighborhood of Hillsboro, Oregon. Connecting with our community demonstrates interdependence and prepares students for their future. Examples of partnerships and community engagement include holiday support for families in need, Hillsboro Parks and Recreation activities at Orengo Woods Nature Park, Intel volunteers, Band and Choir performances, artists in residence and arts integration through the Right Brain Initiative, Playworks Recess program, and field trips. We look forward to engaging with new community partners and having visitors share their expertise with our students to broaden their worldview.
