School Goals

R.A. Brown staff are committed to making sure all students are ready for high school with the academic and social skills needed to realize their dreams. We focus on fostering a sense of belonging for all students, supporting the use of rigorous academic language, and promoting consistent attendance habits. Staff will utilize collaborative structures to ensure they know their students' needs in order to help them take the next step in their education, build authentic relationships that value each individual's lived experience, and continue refining best teaching strategies to empower students.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups. We are committed to providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is highly skilled, caring, and dedicated to fostering a safe and welcoming environment. We encourage students to demonstrate care for one another by respecting each other's rights, and to continue building strong relationships across differences through respectful communication.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We believe all students deserve to feel safe in order to make the most of their education. If students experience behavior from others that substantially interferes with their education or creates a hostile educational environment, they should immediately notify a staff member. This includes behavior at school, during school activities, while riding Hillsboro School District transportation, at official bus stops, or through the use of electronic communication devices.

EXTRACURRICULAR ACTIVITIES

We believe a strong school community is built in the classroom and through extracurricular activities. At R.A. Brown, students have the ability to participate in activities both during and after the school day. These opportunities may include, but are not limited to: Advisory clubs, Black Student Union, Zone sports teams, Aeronautics Club, STEAM Club, LGBTQIA+ Club, and Latino Youth Program. We partner with community organizations as well as the Hillsboro School District's Extracurricular Services department to make sure students have a wide variety of extracurricular choices.

PARENT ENGAGEMENT

Families and caregivers are vital partners in the success of our students. We look forward to creating a strong partnership between home and school that allows our staff to better understand and support our community. When surveys are sent by R.A. Brown or the Hillsboro School District, please take time to provide your thoughtful feedback. If you have a question or concern about our school, please reach out to your student's teacher or counselor. R.A. Brown sends out a weekly email newsletter with upcoming school and district events as well as important information regarding the school year. Please look for it in your email or on the ParentSquare app every Friday.

COMMUNITY ENGAGEMENT

Staff at R.A. Brown Middle School are excited to partner with community members to enrich the educational experience of our students. Guest speakers regularly visit to share their college and career experiences with our AVID students. Our playing fields are used by multiple community sports leagues. Volunteers are always welcome. If you would like to volunteer at R.A. Brown, please call 503-844-1070.
