School Goals

Witch Hazel focuses on an inclusive education that offers students an opportunity to share their unique strengths and culture while building a compassionate and curious community of learners. We are a Dual Language school offering instruction in English and Spanish with the goal of creating bilingual, biliterate, and multicultural citizens. Together, we sustain a school culture of growth, rigor, safety, and leadership development to ensure college and career readiness. We do this by creating equitable classroom experiences and knowing each child by name, strength, and need.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

We strive to create a safe and welcoming school by knowing each student and their family by name, strength, and need, and actively supporting families in accessing community resources. Witch Hazel is fortunate to have a Community Care Specialist with a mental health focus, and an on-site Family Outreach Liaison. We have a Wellness Instructor, full-time School Counselor, an additional half-time counselor, and half-time Student Success Coach - all of whom work together with your child's classroom team to support access to education and resources. All safety recommendations are followed in accordance with the Oregon Department of Education.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We have a full-time and an additional half-time counselor who support whole- and small-group lessons on issues of bullying, harassment, and safety; school-wide Morning Meetings to support peer-to-peer relationships as well as broader social-emotional needs; tech safety lessons taught in classrooms; Positive Behavior Interventions and Support along with collaborative problem solving; Wellness Center; trauma-informed care approach; and a half-time student success coach.

EXTRACURRICULAR ACTIVITIES

We are proud of our partnerships with the Alaska Airlines Aviation Day program and the Oregon Museum of Science Industry (OMSI). We also partner with Community Action Head Start for Pre-Kindergarten onsite, as well as Adelante Mujeres for their Chicas Program. We are a certified AVID Elementary and Dual Language school. We host multiple after-school programs, including a variety of STEM and Migrant academic enrichment opportunities. We also offer Champions childcare on-site, as well as grant-funded activities based on student interest.

PARENT ENGAGEMENT

We host evening events for families, including celebrations of cultures and academic achievement that highlight our use of school-wide AVID strategies. Events include family education to support access to school resources and systems, monthly Celebration Assemblies, and Coffee with the Principal. We also have an active and supportive Parent Group whose meetings are conducted bilingually in Spanish and English. Parent-led activities enrich our community and emphasize family cultures.

COMMUNITY ENGAGEMENT

We offer evening events, including Dual Language, AVID, and Title I service information; Wolf Walk; and Guest Speakers. We also have a Focused Care & Support Team to help meet the individual and unique needs of each family. Our Community Care Specialist connects families with resources and communicates regularly with parents about community events. Our yearly family survey ensures our community has a voice and can add to our collective efforts in support of students' growth.
