PVI

DECEMBER NEWSLETTER

Dear PVI Families,

~~Dear Santa,~~

As we dive into December, it's great to see the excitement building in our school! The joy of the season is really shining through our students' smiles and kindness.

We want to extend a big thank you for the wonderful partnership we have. Our students thrive because of the supportive community we've built together—one that values learning, respect, and growth. Your continued support, especially in this buzzing month, means so much.

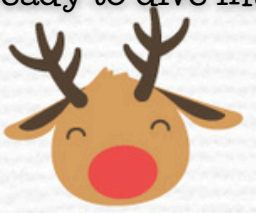

With the holidays coming up, we know there can be a lot going on, but our PVI teachers are all about keeping students engaged with fun and meaningful activities. December is super important for building on the skills and knowledge they've gained so far this year.

To help your student stay on track, it's a great idea to encourage them to stick to their usual routines, like bedtime and homework, right up until the break. Keeping things consistent helps reduce stress and boosts learning.

We also suggest getting your child to pick up a good book—fiction or non-fiction—as we settle into the colder weather. Reading for pleasure is a fantastic way to keep the learning going!

We truly hope the next few weeks are full of joy, peace, and some much-needed time to relax for your family. Wishing you a wonderful and safe holiday season from all of us at PVIS! We can't wait to see our students back in the New Year, ready to dive into the second half of the school year.

wishing you all the best,
Sabrina Albright and Lauryn Bencker

- DIARRHEA FREE

December *How to stay on the nice list* Special Edition

PBIS CORNER

Be Responsible, Engage Everywhere, Act Safely, Respect Yourself & Others

BEAR

Be Responsible

Engage Everywhere

Act Safely

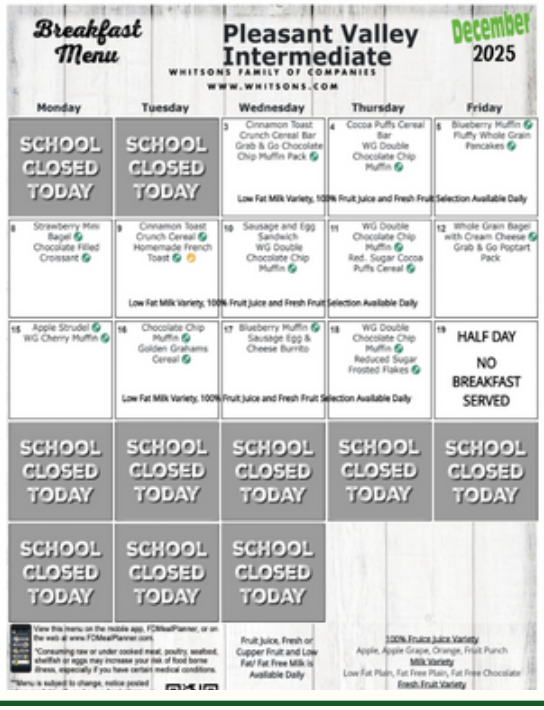

Respect Yourself & Others

When students are consistently showing the above behaviors, they can earn Bear Bucks. Bear Bucks can be cashed in at the Bear Den once per month for positive experiences within the school setting. Some of the reward options include helping with morning announcements, having lunch with an Administrator, a video game party, extra recess, art, or technology time, etc. Whole classes can also earn Bear Buck's. Those Bear Bucks can then be cashed in for a whole class reward such as lunch in the courtyard, a class period of board games, Legos, arts and crafts, 15 minutes of extra recess time, etc.
