Green Bay East High School

East High Parent Newsletter

Issue No. 4 | December 2025

Dear East Families:
The State School Report card is now available for East and the district. We are proud to announce that for the third year in a row we have increased our score to 76.1 achieving the EXCEED EXPECTATIONS designation. Our students and staff are working hard to achieve academic excellence in the classroom. We will continue this important work to ensure we keep moving in the right direction.

Monday, December 1st is a brand new trimester for our students. This means everyone has a fresh start with new classes and has an amazing opportunity for success. I encourage you to talk to your students about communicating with their teachers when they have questions or need extra help. We will continue to have tutoring Tuesday, Wednesday and Thursdays from 3:15-3:45.

Please check your Parent Portal to see your students attendance, grades and credit attainment toward graduation. Students need 22 credits for graduation. Freshman should have 2+ credits, Sophomores should have 8+ credits, and Juniors should have 13+ credits right now to be on target for graduation. If they do not, please have conversations with your student. Please contact your student's counselor if you have questions. If you do not have access to the Parent Portal please call the help desk at 920-448-2148 to get assistance.

MAKING A DIFFERENCE BY MAKING MUSIC

Fine Arts Institute and Senior Capstone student Morgan has added a touch of the jungle to our Fine Arts department by designing and painting this beautiful mural. Art teacher Mark Dix supported Morgan as she created her design. Her love for frogs shows in the unique details presented. Morgan made sure to add metallic paint to add sheen to the lightning bugs and a reflective paint to make the butterfly shimmer! It's easy to imagine you're right there seeing nature live! This is a must-see artwork, so be sure to stop by soon and enjoy her presentation of this stunning frog!
