C. PUBLIC COMMENT

Pursuant to Government Code 54954.3 and Education Code 35145.5, this is a standing agenda item for the West Side Education Authority ("Authority") to receive public comments on matters that are NOT listed on the agenda but are under the Authority's jurisdiction. For items that are listed on the agenda, members of the public may address the Authority during their deliberation of the item.

Public comments are limited to three (3) minutes per person unless there are too many people requesting to speak, in which case the Authority may limit comments to less than three (3) minutes per person. The Authority will also limit public comments on items that are NOT on the agenda to 15 minutes during this segment of the agenda. If the Authority is not able to hear all comments on non-agendized items during these 15 minutes, Public Comment will resume after all agenda items have been considered.

In order to address the Authority during a meeting, members of the public requesting to speak should submit a Comment Card prior to the start of Public Comment. Cards submitted after Public Comment has been called will be sent to the Authority post-meeting.

When the Authority is ready to hear public comments, the Authority/Staff will first recognize the speaker by name and then invite the speaker to speak. The speaker must be present, in person, at the meeting to make the comment; otherwise, the Authority will receive the comment post-meeting.
