Celebrating Fall Traditions at Revere

While Revere Local Schools is well known for its long-standing tradition of academic excellence, fall also brings a special opportunity to celebrate the creativity, spirit, and dedication of our students. The vibrant colors and crisp air set the perfect stage for the traditions and events that unite our community each year.

The Revere Marching Minutemen have enjoyed an outstanding season, impressing audiences with their precision, musicality, and enthusiasm. The band earned a Superior rating at the OMEA State Competition held at Medina High School on November 1. They also headlined “Bands in the Round” on October 30 at Revere High School—an annual event featuring student musicians in grades 5–12 who come together to showcase their talent and love of music.

Halloween brought its own kind of excitement to our schools. Richfield Elementary and Bath Elementary hosted their beloved Halloween Parades, while “Boo at the School,” sponsored by the RHS Student Council, welcomed families for an evening of games, treats, and safe trick-or-treating. The Richfield Elementary PTA also organized a fun-filled Trunk or Treat event that brought smiles to students and families alike.

Revere High School honored local heroes with a moving Veterans Day Program featuring student performances, artwork, and an inspirational keynote address by Colonel Shannon Juby, United States Air Force (retired). The RHS PTA and Revere Players also hosted a special breakfast and dress rehearsal performance of *Camp Neverland: A Peter Pan Story* for area senior citizens—an event that beautifully connects our students with the broader community.

Our fall athletic programs have also given us much to celebrate. Both the Boys' and Girls' Soccer Teams earned titles as OHSAA Division II District Champions. The Boys' Cross Country Team—Will Wells, John Owens, Quin Albrecht, Will Janke, Jack Ledley, Toby Shirley, and Tarun Venkatesh—competed in the OHSAA Division II State Meet, placing 10th out of 24 teams. Senior Will Wells placed 19th overall and broke the RHS school cross country record with a time of 15:05, surpassing the previous record of 15:09 set by Josh Sabo in 2010. From the Girls' Team, Caroline Wilson and Keira Lang proudly represented Revere as individual state qualifiers.

To cap off the season, the Minutemen Football Team defeated the Copley Indians 24–21, proudly reclaiming the Victory Bell! They concluded an impressive season advancing to the second round of the OHSAA playoffs.

I want to extend my sincere appreciation to our students, staff, parents, and community members who help make these moments possible. Your continued support and involvement ensure that Revere remains a vibrant place to learn, grow, and thrive.
