

## Cold Weather Reminder

Please be sure to send your child to school with snow pants, mittens, hat, boots and jacket for the cold weather.

Also, snowy and slushy weather is here! The playground may be a little wet or slushy at times.

Can you please be sure to send a change of clothing to school with your child in a plastic bag (labeled with their name)? They will keep this in their locker/cubby in the event they would need to change their clothes. Thank you!
