School Goals

At Humbolt Elementary School, our goal is for every student to grow academically and socially in a safe, supportive environment. We focus on meeting students where they are and providing instruction that accelerates individual growth. Our highly trained staff partner with families to reinforce consistent expectations, foster responsibility and respect, and celebrate success. Strong communication and community connections ensure learning is meaningful and prepares students for lasting success.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

Humbolt Elementary fosters a safe and welcoming environment by teaching and reinforcing clear expectations for being safe, respectful, and responsible across all school settings. Students are encouraged to take ownership of their learning and surroundings, supported by consistent systems, strong staff–family partnerships, and recognition of positive choices. These practices build responsibility, strengthen relationships, and ensure every child feels valued and prepared for success.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

At Humbolt Elementary, student safety and well-being are supported through clear expectations and strong social-emotional learning. Along with PBIS, which teaches students to be safe, respectful, and responsible, we use Second Step, Little Spots of Emotion, and Kelso's Choices to build empathy, problem-solving, and emotional regulation. Positive character is celebrated through Character of the Month and Self-Managers, while Conscious Discipline and Restorative Justice guide growth-focused responses to behavior.

EXTRACURRICULAR ACTIVITIES

Humbolt Elementary students have access to a wide range of extracurricular opportunities that support their growth beyond the classroom. Through strong partnerships with John Day Parks and Recreation and local community organizations, students can participate in seasonal and enrichment activities. Sixth graders join junior high sports at Grant Union Jr/Sr High School, and in-school and after-school clubs include Running Club, Homework Club, Sign Language Club, Mathletes, and Battle of the Books.

PARENT ENGAGEMENT

Humbolt values strong family partnerships supported by an active Parent Teacher Association (PTA). Parents stay informed through the school's website, social media, and a monthly newsletter that highlight events, celebrate student success, and share important information. Families are encouraged to participate in school activities, volunteer in classrooms, and collaborate with staff to support student growth. Consistent tools such as Monday folders ensure families stay connected to their child's learning.

COMMUNITY ENGAGEMENT

Community engagement is central to the success of Humbolt Elementary School. We partner with local organizations such as Painted Sky Art Center, OSU Extension Services, John Day Parks and Recreation, Community Counseling Solutions, the Elks Lodge, and the John Day Senior Center to provide enrichment, recreation, and support services for students. Humbolt serves as a hub for youth activities and values the strong partnerships that connect our students with the wider community and enhance their opportunities for growth and success.
