## Future Ready Comprehensive Planning

Saucon Valley SD

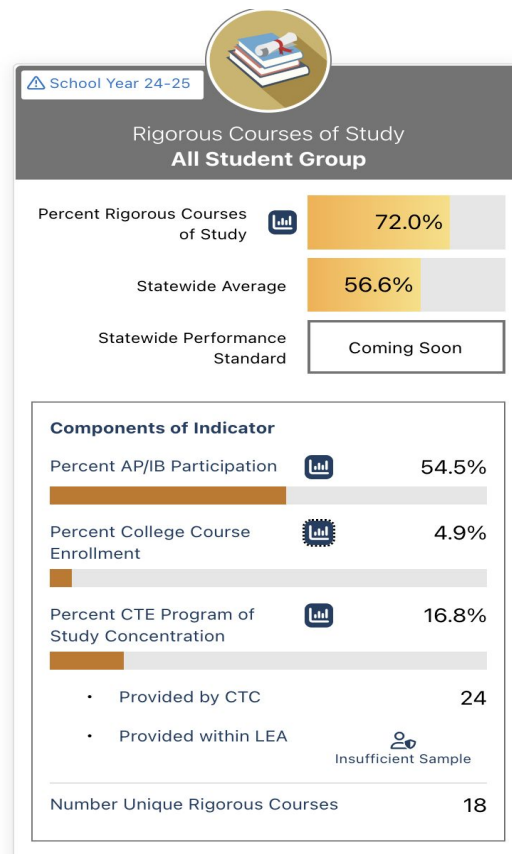

- **Three-Year Strategic Roadmap:** Guides districts in improving student achievement and overall school performance.
- **Collaborative Planning Process:** Set goals, assess needs, and create action plans in areas such as leadership, teaching, and learning.
- **District Submission:** Support continuous improvement and meet state and federal requirements.

# Goal 1: 60% achievement in rigorous courses.

| Measure                                                  | Baseline<br>2018                                                             | 22-23<br>Goal | 22-23<br>Actual | 23-24<br>Goal | 23-24<br>Actual | 24-25<br>Goal | 24-25<br>Actual |
|----------------------------------------------------------|------------------------------------------------------------------------------|---------------|-----------------|---------------|-----------------|---------------|-----------------|
| Increase participation in rigorous courses study to 60%. | PA Future Ready Indicator-AP College, Dual Enrollment, or CTE Concentration. | 56%           | 63.2%           | 58%           | 61.9%           | 60%           | 72%             |

# 2025 Rigorous Coursework

## Goal 2: All core mathematics courses will have benchmark assessments created and administered.

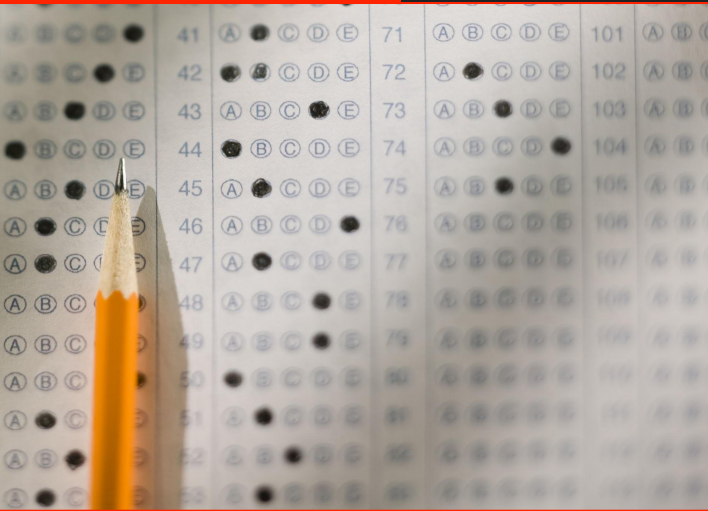

| Grade Span | Benchmark Tool                                                                                | Description                                                                                              | Completed         |
|------------|-----------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|-------------------|

## Ranked 2nd in the Lehigh Valley

# Pennsylvania Department of Education

## Future Ready Comprehensive Planning

Saucon Valley SD

### 2025-2028 Comprehensive Plan Goals

**Goal 1:** Students will meet the ELA standard for academic growth in grades 5–8, as measured by PVAAS.

**Goal 2:** 50% of students will participate in at least one Advanced Placement course each school year.

**Goal 3:** Develop dual enrollment opportunities for students in grades 9–12.

**Goal 4:** Students will meet the math standard for academic growth in fourth grade, as measured by PVAAS.
