Interdistrict Attendance

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district. This policy outlines criteria for approval, renewal, revocation, and appeal to ensure fair and equitable access to educational opportunities while preserving the integrity and capacity of district programs.

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement between the districts shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence that has an agreement with the district, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district with which the district has an agreement, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement between the districts.

Transportation

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)

In addition, upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for any interdistrict transfer student to and from designated bus stops within the

attendance area of the school that the student attends if space is available.

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

Salinas City Elementary School District

Students BP 5117

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district does not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307.)

Revoking an Interdistrict Transfer

The district may revoke an interdistrict transfer, provided alternative means of remedying the problem have been attempted and failed to bring about change. Reasons for a referral for revocation may include:

1. Chronic absenteeism (10% or more of the school year);
2. Failure to adhere to district/school discipline/ behavior policies;
3. Failure to maintain satisfactory academic progress;

4. Site, program, or grade-level capacity limitations;

5. Discovery that the interdistrict transfer application had been falsified; or

6. Other circumstances determined by the Superintendent or designee as warranting revocation. or misleading application information.
