Our Mission.

The Empowered Generation is a Margate-based grassroots group of parents, educators, and local leaders working to reclaim a healthy, play-based childhood in an increasingly digital world. We aim to support youth mental health, promote independence, and rebuild meaningful face-to-face connections in our community.

Our Goals.

- Bring the *Let Grow* program to Margate schools to foster independence and reduce screen time.
- Advocate for phone-free schools to support learning, mental well-being, and healthy social skills.
- Host community events and workshops that promote real-world connection and tech balance.
- Build a shared commitment to helping kids–and families–live more present, connected lives.
