

Norman Rockwell Elementary

Construction Update #10

December 3, 2025

Rebuild & Enlarge Construction Timeline: April 2025-December 2026

The new Rockwell Elementary building has leveled up! The 2nd story is taking shape with the wall panels being installed in the South classroom pods and progressing towards the North side of the building and gymnasium. The gym has the largest steel beams in the whole school and were installed right before Thanksgiving.

To commemorate the completion of wood framing, Lydig and Rockwell Elementary will celebrate the last beam getting installed with a special ceremony during the school day. Students and staff are encouraged to sign the beam to become a part of the history of the new Elementary School.

What To Expect During Construction

Wall framing continuing to shape the building

Working Hours:

Standard working hours:

7 a.m. – 4 p.m. Monday-Friday

Throughout the course of this project, construction may occur late and/or on work weekends to maintain schedule.

In those circumstances, we will abide by the City of Redmond's noise and work hour ordinances (as follows):

7 a.m. – 7 p.m. Monday - Friday

9 a.m. – 6 p.m. Saturday

Not allowed on Sunday/Legal Holidays

Deliveries:

The primary construction entrances will be on 162nd Ave NE. Deliveries will not be allowed outside of our working hours. Deliveries will not occur during pick up and drop off times.

Noise & Vibration:

Lydig adheres to all local and state noise codes. Heavy machinery and construction equipment shall not be operated during non-working hours. Trucks and equipment idling will not be permitted to idle on site before 7 a.m. Please note the back-up alarms on our vehicles and equipment are required by WISHA and cannot be disabled.

Personal Conduct:

All Lydig employees and subcontractors undergo a mandatory safety and personal conduct orientation meeting. This includes, but is not limited to, site regulations on language, harassment, music/radios, tobacco use, litter and leaving/entering the job site.
