How can I help my child get ready for the EOG?

- Make sure your child completes their homework each night. We choose homework that aligns with standards tested on the EOG.
- Encourage your child to read each night, aside from their assigned homework.
  *Questions to ask your child after reading:
  - Fiction- Who are the characters? What is the setting? What is the problem in the story? How was the problem resolved? What do you think will happen next?
  - Nonfiction- What is the main idea of the text? Can you name three important details in the passage? What did you learn from the text?
