

LVJUSD 30TH ANNUAL MATHCOUNTS COMPETITION

What Are the Competition Rounds?

Part 1: 30 questions

Part 2: 8 questions

Part 3: Team round
(teams of four)

Scores from Parts 1
and 2 combine to
determine who
advances to the
final "Countdown"
lightning round.

What Is MATHCOUNTS?

A fast-paced,
problem-solving
competition where
students take part in
two individual
rounds and one team
round. Using their
school Chromebooks
to access and
submit questions,
students work
through challenging
math problems with
scratch paper
allowed.

What Should Mathletes Bring?

- School Chromebook
- Pencil
- Scientific calculator (non-programmable)
ask your MATHCOUNTS coach to borrow one if needed
- Water bottle
