Calendar invites will be sent in January.

**Classroom Teachers** will receive training on gradebook and attendance during August building directed days.

**“Go Dark” and “Go Live” Dates**

Skyward as we know it will “Go Dark” on July 21, 2026. This period will last from July 21–August 2, 2026. This means there will be no access to Skyward. During this time the data we have in Skyward and information that has been built for the 2026–27 school year will be migrated to Qmlativ.

Qmlativ will “Go Live” on Monday, August 3, 2026. This timeline provides office staff a week before we’re officially open to the public to ensure we are familiar and ready to go for the 2026–27 school year.
