A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello, we have a big end-of-the-week service project. The entire school will go to Layon Beach National Park for Beach Cleanup Day. The municipality has sponsored our entrance fee and will provide three lifeguards for us all day. The students will group up at school and travel together to the park.

At the park, we will pick up rubbish and sort it for recycling and reuse. The materials will be brought back to school to be used as material for art projects during literacy week in January.

This is an excellent opportunity for the students to give back to their community. We encourage the families to have a family beach cleanup day separately on another day, and let your children work with their peers and teachers on this day.

Friday is a whole school day for everyone. We want the entire student body to attend the service project.

We only have a few more days of school before the break. Please do your best to ensure your children arrive at school on time. School starts at 0755. They need to arrive on time, so they do not feel overwhelmed when they arrive at class and the lesson has begun.

A reminder, the last day of the term #1 is December 12th. This day is a scheduled 1/2 day. All students will be released at 11:20 am. We will not serve lunch on December 12. The buses will depart from school at 11:25.

The uniform is also expanding, with more options available. We now have a hooded sweatshirt and a cardigan sweater. We will be phasing out the old light blue shirts this fall. In January, we would like to start fresh with all new uniform options. Students will need to purchase a sweatshirt or sweater to stay warm during the day. Students will no longer be permitted to wear non-QSI jackets, hooded sweatshirts, or sweaters.

Please feel free to use this link to book a meeting with me: Book a Meeting With Mr. Chris.

See You Soon,

Chris Fisher

Graduates of 2026

Each week, we feature graduate students from the Sec 4 class. This week’s spotlight is on German. Let's read what his goals are for the future.

German, 17, wants to go to the University of Hong Kong and is focusing on majoring in marketing. Some requirements for his university are knowledge of psychology, economics, math, and other basic subjects related to marketing. His goal for the year is to do as much work as he can and earn a lot of A’s.

German is excited to graduate and shares this advice for future graduates:

“Follow your heart, trust yourself and never give up.”

Competition at Super Fight Night

Daniel, a secondary student at our school, took part in the Super Fight Night tournament on November 16, 2025, held at Supergirl Jaroonsak Gym in Phuket. Unfortunately, Egor couldn't participate in the competition because he had injured his knee in sparring two days before the fight.

Q: How was the match?

A: The match was pretty good.

Q: What did you feel during the match?

A: I felt I just needed to do my job to win.

Q: How did you prepare for the match?

A: I trained every day, and I had very a very strict diet.

Q: How was the feeling when you won

A: I felt amazing

Q: What did you feel before the match

A: I felt a little bit calm and confident and I knew I would win

Q: Will you have another fight in the future?

A: Yes, I think so.

We wish Daniel future victories.

After school activity, Old video games class

2 - Old video games class

Every Tuesday from 3:15 to 4:15 Mr Gui runs an old video games class with elementary students.

Mr Gui chose this class because it is fun and many students enjoy video games but have not had the chance to play old video games such as *Mario* and *Sonic*; these games are very fun to play. The students currently participating are seven, eight, and nine years old, and there are nine students in total. This activity helps students develop critical thinking by solving various tasks and puzzles, and it also helps them with coordination. The students undoubtedly enjoy this class, and they are very excited and enthusiastic about it.

The Passing of her Majesty Queen Sirikit, The Queen Mother of Thailand

The Office of the Prime Minister has announced that the Bureau of the Royal Household has formally declared the passing of Her Majesty Queen Sirikit, The Queen Mother, on Friday, 24 October 2025, at 9:21 p.m., at Chulalongkorn Hospital, Thai Red Cross Society, at the age of 93. The passing of Her Majesty the Queen has cast a deep sorrow across the nation. She was more than a royal figure — she was a symbol of grace, kindness, and strength whose warmth touched the hearts of the Thai people. Her gentle spirit and lifelong dedication to the nation will be remembered with love and gratitude.

The Office of the Private Education Promotion Commission hereby requests all private schools to take the following actions, effective **25 October 2025**, as follows:

- 1. **Lower the national flag to half-mast** at all private schools for a period of **30 days**.
- 2. **Refrain from organizing any festive or celebratory events** for a period of **one year**.
- 3. All private schools are to publish Her Majesty Queen Sirikit The Queen Mother's royal duties on the main page of their school websites and organise exhibitions in honour of Her Majesty Queen Sirikit The Queen Mother.

- 4. **Request for cooperation** from all administrators, teachers, and staff members of private schools to observe mourning for a period of **one year**.

This is for your acknowledgement and implementation accordingly.

With highest respect,

(Signed)

(Mr. Monthon Phaksuwan)

Secretary-General

Office of the Private Education Commission
