Summary of Action

School Governance Council

December 2, 2025

The Wolf Creek Elementary School Governance Council convened on December 2, 2025, via TEAMS at 5:06 PM. After verifying quorum, the council approved the meeting agenda and the previous month's minutes. Ms. Middleton presented the charter dollar expenditure proposal for the Math Extravaganza on behalf of Ms. Singleton, Math Coach. The proposal included an overview of the event's purpose, its alignment with school goals, and details regarding components such as interactive math games and an author visit, along with associated costs. Council members engaged in discussion to ensure the initiative would benefit all students and align with strategic priorities. Following deliberation, the council unanimously approved the Math Extravaganza as a charter dollar expenditure. Public comment was invited, but no additional comments were provided. The meeting concluded with confirmation of next steps and adjourned at 5:30 PM.
