COUNSELING CORNER

OPPORTUNITIES FOR OHIOANS WITH DISABILITIES

Dan Russell, Transition Coordinator, can assist with the application and referral process for OOD (Opportunities for Ohioans with Disabilities) services.

For more information, visit the [OOD website](#)

Scoir (pronounced “score”) is a college search and career exploration program. It includes features such as career interest inventories, college and career information, and Scattergrams, which summarize admission trends for Beachwood students. If you would like to create a Parent account, please reach out to your child’s counselor for a link.

EXCEL TECC INFORMATION FOR SOPHOMORES AND JUNIORS

Application Day, December 11:

Sophomores (Juniors interested in the Marketing Program only) will have the opportunity to apply to Excel TECC programs on December 11th during all lunch periods in the Community Room. The application opens at 6:00 am on December 11.

Students received an overview of program options, application steps, and important deadlines. Please see the information that was presented to your students below
