Dear Community,

The Administration and the Sudbury School Committee are actively engaged in developing the budget for the 2026–2027 academic year. The budget is one of the most important tools we have to support our students and educators. As this work moves forward, we want to keep you informed and invite you to take part in the process.

We would like to share some key dates with you. During Budget Review Meetings, the Administration and School Committee review projected enrollment, MCAS data, Student Services, and other student achievement presentations. Every meeting includes time for public comment. The **Budget Hearing**, required by law, is a formal opportunity for community members to hear the proposal and provide feedback.
