Your Monthly Guide to What's Happening in Community Education! December 2025 Edition

## A Note from Your Community Education Team

As we transition from fall to winter, we invite you to slow down, savor the moments, and embrace the connections that bring warmth to this season—whether through holiday traditions, quiet reflection, or time spent with friends and family. This winter, our theme is **Seasons of Connection: Finding warmth in community and joy in new beginnings**. Treasure the time with loved ones and let it inspire new ways to build and celebrate our community.

We had a blast celebrating National Community Education Day from November 10-14 with our CE Spirit Week. It was a joy to connect with so many of you, share stories, and hear from our amazing staff about their “why.” Everything we do comes back to you, our community—thank you for celebrating with us!

As you explore this month's newsletter, we hope you'll find inspiration to join us in activities through December and get excited for what's ahead in our winter-spring catalogs (first access here). Registration for winter-spring is open now so browse through and register today! Looking for a thoughtful gift this season? Give the gift of learning—call us at 952-707-4150 to share a community education experience with someone special.

Discover classes, resources, and opportunities created to support families and nurture our youngest learners this season.

**Don't Miss our Family Fun Night on January 9<sup>th</sup>!**

Get ready for an out-of-this-world evening!

We're hosting a Winter Family Fun Night on Friday, January 9<sup>th</sup> from 5-8pm, and this year's theme is "Shining Star!" Families will blast off into hands-on activities in science, literacy, and art—all inspired by the wonders of outer space.

This event is open to all ISD 191 families, and we're planning a night full of discovery, creativity, and cosmic fun. If the January sky cooperates, we'll wrap up with a family stargazing session—a magical way to end the evening.

We'll be inviting over 500 early learning families, along with the broader community, and we're excited to welcome everyone with a free meal so caregivers can skip the planning, prep, and cooking for the night.

Winter can feel long and chilly, but this event will be a warm, bright, and welcoming escape—a chance for families to get out of the house, connect with one another, and explore the universe together.

Join us for a night that's sure to be stellar!

**Interested in Shaping the Future of ECFE?**

If you're interested in joining, email [ceinfo@isd191.org](mailto:ceinfo@isd191.org). Include Parent Advisory in the subject line. There is no cost to join this class!
