

WHAT IS A COMPACT?

A Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards.

Effective compacts:

- Link to goals of our school improvement plan
- Focus on student learning skills
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress.
- Encourage opportunities for parents and families to volunteer and observe in the classrooms.

Jointly Developed

The parents, students, and staff at Hampton Middle School developed this Compact. Changes made based on student's need and Title I regulations. The Compact is created from collected information from parent surveys, faculty/staff meetings and parent input meetings.

**PARENTS AND FAMILIES
YOUR INPUT IS ALWAYS WELCOME!**

*Trevic' McAlpine,
Family Engagement Liaison*

trevic.mcalpine@henry.k12.ga.us
770-707-2130 Ext. 32203
Family Resource Center: Room #701

Building Partnerships Hampton Middle School Believes:

Family and Community involvement is critical to student access and all learning environments will be supportive, safe, and secure. Our Family Resource Center (room 701) is open on all school days from 9 AM - 3:30 PM. Before and after-school appointments are available. Annual Open House, PTO meetings, Parent volunteer opportunities, Classroom observations invitation to our parents.

COMMUNICATION

HMS is committed to frequent two- way communication with families about student's learning. We encourage all families to use these methods stay informed.

- Daily Agendas
- Classroom progress reports/updates
- Notes, flyers, and teacher emails
- Parent-teacher conferences
- Parent workshops
- HMS Website/Facebook/Twitter updates
- Email distribution list
- Remind 101 notifications
- Fall and Spring parent input surveys
- Mass calling to parents/guardians

HAMPTON MIDDLE SCHOOL 2025-2026 TITLE I COMPACT FOR ACHIEVEMENT

Hampton Middle School

799 Hampton-Locust Grove Rd
Hampton, GA 30228
(770) 707-2130

Revised 09/23/2025

<https://www.henry.k12.ga.us/hm>

Dr. Lydia Williams, Principal

Our Goals for Student Achievement

Henry County District Goals

Henry County Schools Priority Student Outcomes

1. We will advance opportunities, access, and outcomes for every student group in Literacy Proficiency at every grade level.
2. We will advance opportunities, access, and outcomes for every student group in Readiness to Learn at every level.
3. We will advance opportunities, access, and outcomes for every student group in College, Career, and Life Ready Skills - post graduation.

Hampton Middle School Goals

Goal #1: Hampton Middle School will increase the percentage of 8th grade students reading on or above grade level from 25% to 29% by May 2026.

Goal #2: Increase the percentage of 6th grade students scoring proficient or distinguished in mathematics on the 2025 Georgia Milestones End of Grade Assessment from 16% to 20%.

Goal #3: By May 2026, Hampton Middle School will reduce Level 1 and Level 2 behavior referrals by 15% through the consistent implementation of a schoolwide PBIS framework that promotes positive behavior, teaches clear expectations, and reinforces student success.

Teachers, Parents, and Students – working together for success!

Teachers will work with their students and families to support the students' success in all subjects:

- Develop homework assignments in all content areas that allow parent participation as well as provide sections for parents to send feedback to the teacher about the assignment.
- Communicate through teacher website, via email or agenda, the homework assignments for the week. Provide parent resources on our school website at <http://schoolwires.henry.k12.ga.us/hm> or you may call the school at (770) 707-2130.
- Provide family education nights and parent workshops to share academic strategies with parents in all content areas.

Students

Students can show parents how they can succeed in school. Here are just a few ways to make student connections between learning at home and school. Students can:

- Complete the homework assignments with my parent and mark the Science and Social Studies problems that I do not understand to review with my teachers.

- Provide their parent/guardian progress reports, agendas, and notes from the teacher on academic progress and opportunities to volunteer, visit classrooms, and participate in workshops.

- Give 100% of their effort to ensure their academic success by participating in classroom discussions, writing down homework in agendas daily, and using math and reading journals daily.

Teachers, Parents, and Students - working together for success!

Parents will support the school by:

- Using the interactive homework assignments to review problems in Science and Social Studies that my student was unable to solve and send feedback to the teacher in the space provided.
- Communicating with teachers about their child's progress via parent-teacher conferences, note in agenda, e-mail, phone call, or text messaging and accessing the parent resources on the school website to support my child's learning at home..
- Attending parent workshops, PTO meetings, and family education nights and visiting or volunteering at the school.

Building Partnerships
