2024-2025 Annual Impact Report

The #1 Private School in Corpus Christi because of you—the Incarnate Word donor community of alumni, staff, parents, grandparents, friends, community organizations, private foundations, and the IWA Foundation. We are so proud of all that we accomplish together, which would not be possible without the vital resources provided by gifts directed to Incarnate Word Academy (including Booster Club and PTOs), as well as the gifts directed to the IWA Foundation, which exists to support the school. Together, donor support for IWA and the IWA Foundation increased from the previous year by \$932,773 resulting in 819 donors giving philanthropic support totaling \$3,193,615 (\$2,902,996 to IWA and \$290,619 to IWAF).
