

CATASAUQUA MIDDLE SCHOOL NEWSLETTER

DECEMBER 2025

Mr. McNulty's Message

As we enter the month of December, we want to remind families to be prepared for winter weather and any uncertainty it may bring. We will communicate any weather delays or school closings in a timely manner to ensure the safety of our students and staff. In some situations, this may include Virtual Learning Days, during which students will log in remotely and complete assignments using Google platforms.

Thank you to all the families who signed up for and attended our recent parent conferences held during the last week of November. It was wonderful to see everyone and to hear how positive the conference experiences were. This year, we made a commitment to share more student data, academic progress, and information about what your children are learning. We appreciate your partnership and engagement in this process.

We also have several exciting events coming up in December, including the school dance on December 12th and the Choir and Band Winter Concert on December 9th. Students are looking forward to these special activities as we move into the holiday season.

As the Christmas break approaches, our district and building staff would like to wish you and your family a safe, healthy, and happy holiday season.

Reminders

- Students attending the school dance on December 12 must present their student ID badges in order to enter.
- Last day of school for 2025 is December 19, 2025.
- We return to school on January 5, 2026.
- PTF-R&K Sub/sandwich orders due December 5.
