October 2025

PRINCIPAL'S MESSAGE

Welcome back to the 2025-2026 school year! The year has started off strong, and it is truly wonderful to see your children each day—happy, polite, and ready to learn as they enter the building.

The opening of the school year has been smooth, and both students and staff have already established strong routines that support learning and success.

Looking ahead, October will be a busy month with several events planned. Please be sure to review the "Important Dates" section of this newsletter so your family can stay connected and involved. The students that ride the bus each day must have their bus pass on them in order to ride the bus.
