425 6th Street
Havre, MT 59501

Pony Post, December 2025

As we move into the holiday season, Havre Public Schools has a variety of upcoming concerts and awards assemblies to check out. Highland Park will have its concerts on December 18th. Lincoln McKinley will have an awards assembly on December 4th. Sunnyside Intermediate will have concerts throughout the day on December 10th and 11th, followed by an awards assembly on December 22nd. In our secondary schools, Havre Middle School will have a choir concert on December 8th, followed by a band concert on December 15th. Havre High School will have its choir concert on December 11th, followed by the band concert on December 15th. Please check out our website for the stat times regarding all these events.

Last year, Havre Public Schools rolled out the option for anyone to donate locally to the Innovative Tax Credit program. Last year we brought in \$50,000 in donations which were used for Transformation Learning Opportunities through our district. Taxpayers can receive a dollar-for-dollar tax credit for donations up to \$200,000 to their chosen public school district for innovative programs. This applies to individuals, estates, trusts, corporations, partnerships, and LLCs. This is awarded on a first come, first served basis. Donations cannot exceed the taxpayer's income tax liability but can be carried forward for three years. Please click on the attached QR Code provided for additional information. You can also contact Moses Deanon or myself here at Robins for more information.

If you have any questions at any time, please reach out to me directly!

Sincerely,

Brian Gum
