29.00 GRIEVANCE PROCEDURE

29.1 **Scope**

29.1.1 The purpose of this Article is to provide for a mutually acceptable method for prompt and equitable settlement of grievances and disputes over the interpretation and application of the terms of this Agreement.

29.2 **Definition**

29.2.1 A grievance is an alleged violation or misapplication of a specific article or section of this Agreement.

29.3 **Procedure**

29.3.1 An employee or the Union may institute a grievance. The following procedures for pursuing an alleged grievance will be as follows:

29.3.2 **Step One**

Within five (5) working days of the time a grievance arises, an informal conference over the matter shall be held between the immediate supervisor and the employee and a Representative from the Union.

29.3.3 **Step Two**

If the grievance is not resolved, the grievant or Business Representative may within ten (10) working days of the informal conference reduce the grievance to writing, sign it and present it to Director of Human Resources. The written statement should include (1) the nature of the grievance, (2) the section(s) alleged to have been violated, (3) a recommended solution to the grievance.

Within ten (10) days of receipt of the written grievance, the Director of Human Resources shall communicate a written response to the aggrieved and the Union.

A grievant not satisfied with the resolution at Step Two may, within five (5) working days of receipt of the written response in Step Two, submit the grievance to the Office of the Superintendent.

29.3.4 **Step Three**

Within ten (10) days of receipt of the grievance, the Superintendent or designee shall communicate a written response to the Business Representative.

If the grievance is not satisfactorily resolved the Business Representative may, within five (5) working days of receipt of the written response, proceed to mediation and/or arbitration as provided hereafter.

29.3.5 **Step Four (Mediation Option)**

Mediation of Grievances - The Business Representative and the District may jointly agree to submit the grievance to mediation in lieu of arbitration in accordance with the following provisions;

- A) Mediation of a grievance will be scheduled only on the basis of a joint request for mediation by the Business Representative and the District made within five (5) working days after the Business Representative has referred the grievance to Step Four, unless the parties mutually otherwise agree in writing.
- B) The parties need to agree to the Mediator.
- C) One representative for each party shall present its position to the mediator, provided that the grievant shall have the right to be present at the mediation conference.
- D) The parties' representatives may, but are not required to, present the Mediator with a brief written statement of the facts, the issue, and the arguments in support of their position. If such a statement is not presented in written form, it shall be presented orally at the beginning of the mediation conference.
- E) Proceedings before the Mediator shall be informal in nature. The rules of evidence will not apply and no record of the mediation conference shall be made.
- F) The Mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.
- G) If no settlement is reached during the mediation conference, the Mediator shall provide the parties with an immediate oral advisory decision, which shall include the basis thereof unless both parties agree that no such decision should be provided.
- H) The Mediator's advisory decision, if accepted by both parties, shall not constitute a precedent, unless both parties otherwise agree.

- I) If no settlement is reached at mediation, the Business Representative is free to move the grievance to arbitration, provided the employee advises the District in writing within ten (10) working days.
- J) In the event a grievance which has been mediated goes to arbitration, the Mediator may not serve as the arbitrator. Nothing said or done by the Mediator may be referred to or introduced into evidence at the arbitration hearing and nothing said or done by either party in the mediation conference may be used against the other party in arbitration.
- K) The fees and expenses of the Mediator shall be divided equally between the District and the Union provided, however, that each party shall be responsible for compensating its own representatives.

29.3.6 **Step Five**

If the Business Representative is not satisfied with the disposition of the grievance at the preceding level or if no disposition has been made within the period above provided, the grievance, only at the option of the Business Representative, may be submitted before an impartial arbitrator. The Business Representative shall exercise the right to arbitration by giving the Superintendent or designee written notice. If the parties cannot agree as to the Arbitrator within five (5) calendar days from the notification date that arbitration will be pursued, the Arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which rules shall likewise govern the arbitration proceeding. The District and the Business Representative shall not be permitted to assert in any such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. The decision of the Arbitrator shall be final and binding upon both parties.

The Arbitrator shall have no authority to amend, change, alter, or otherwise modify the Contractual Agreement between the parties. Likewise, the Arbitrator shall have no authority to substitute their judgment for that of one of the parties where the Contractual Agreement expressly grants discretionary authority to one of the parties. Should the Arbitrator find a judgment was made by one of the parties in an arbitrary, capricious, or illegally discriminatory manner, the Arbitrator has the authority to order the party to reconsider its judgment to correct the abuse of discretion so found.

All costs incurred in the arbitration process shall be paid by the losing party. If partial relief is specified for one or both parties, the Arbitrator shall make an award allocating cost.

- 29.3.7 If the employee or the Business Representative does not pursue the grievance to the next step within the prescribed time limits, it shall be presumed resolved. If the District does not respond within the time limits at any one of the steps, it shall automatically move the grievance to the next step.
