Re: Request to surplus items

Existing Little Powder Elementary

Per attached letter from the Little Powder PTO request permission to remove casework and loose items that are not being redistributed throughout the District.

Miscellaneous items will be documented during a walk through by District staff prior to the PTO taking possession of any items.

Ongoing Miscellaneous

Furniture, Surplus Electronics, Shop Equipment, Appliances, etc.

Subject: Request for Access to Surplus Materials at the Old Little Powder Building

Madaam Chair and Trustees,

On behalf of the Parent Teacher Organization, I am writing to request permission for PTO representatives to access the old Little Powder building to review and utilize any surplus materials or equipment that have not been repurposed or reassigned back to the district.

Our intent in seeking access is to identify items that could be responsibly repurposed, sold, or auctioned as part of a community fundraising effort. All proceeds from these activities would be directed to support the needs of our new school — including classroom resources, student projects, and campus improvements that directly benefit our students and staff.

We are committed to working collaboratively with the district to ensure all activities comply with district policy and proper inventory procedures. We will coordinate with designated district personnel to schedule access, maintain accurate records, and ensure transparency throughout the process.

We deeply appreciate your consideration of this request and your continued support of our school community. The PTO remains dedicated to enhancing the educational experience of our students, and we believe this initiative can provide meaningful benefit while honoring the legacy of the Little Powder building.

Thank you for your time and consideration. We look forward to your response.

With appreciation,

Sydney Wilson

President, Parent Teacher Organization
