

District Certification

By signing below, the superintendent or designee certifies that this regional plan accurately identifies and represents the extent of participation for their district to which they, in consultation with their board of education, have agreed. The district cannot be required to participate in any items except those to which they have agreed, as certified below.

Each district must provide certification consisting of their superintendent or designee's signature, the date, and a complete list of the item numbers to which their district has agreed.
