

ROZELLE CREATIVE AND PERFORMING ARTS ELEMENTARY SCHOOL

TITLE I FAMILY ENGAGEMENT PLAN 2025-2026

The family involvement plan was jointly developed with Rozelle parents, students, and school staff to establish expectations for parental involvement.

EXPECTATIONS

Rozelle Creative and Performing Arts Elementary School expects parental involvement in the educational process. The school and home cooperatively share the goal of promoting success in our children. Our parents will assume the roles of advisors, resource persons, and coordinators by doing the following:

1. Attend school events and serve as advisors
2. Serve on the PTO
3. Use their talents/resources to enhance the instructional programs
4. Become school supporters
5. Respond to memos, surveys, and questionnaires expressing ideas and concerns

Title I Involvement

The administrator, parents, staff and community will strategically plan and implement Title I requirements according to the guidelines set forth in the law which include the following:

1. Making parents aware of ESSA and the school's participation.
2. Inform parents of their right to be involved by observing the school's program(s), volunteer, and visit classrooms.
3. Providing parents with student information and progress reports.
4. Inform parents of opportunities for regular meetings. To ask parents and community for feedback and suggestions at parent meetings on issues and decisions relating to the education of their children.
5. Providing parents with a copy of the Family Engagement Plan.
6. Providing parents with a description and explanation of curriculum, academic assessments used to measure student progress, and the proficiency levels students are expected to meet.

To ensure that our parents participate in the development, and implementation of the school's program, we will do the following:

1. Invite all parents to an annual meeting(s) to review plan.
2. Provide flexible number of meetings, flexible times during the day, throughout the school year for parents to attend monthly parent meetings and other opportunities for regular meetings.
3. Provide timely information about parent programs.
4. Involve parents in planning and developing the Family Involvement Plan, improvement plans, and other projects in an organized, ongoing, and timely way.
5. Develop jointly with parents, a parent-school compact showing how parents, schools and students share responsibilities. Disseminate the compact to all students/parents; and acquire appropriate signatures.
6. Encourage parents to regularly visit and take an active role in school planning and volunteer their services.
