- Greeting
- Purpose of SDMC
 - The Shared Decision-Making Committee (SDMC) serves as a collaborative advisory body that provides input on key campus decisions affecting instruction, school organization, staff development, and student achievement. Through open dialogue and shared accountability, the SDMC ensures that all stakeholders, teachers, staff, parents, and community members — have a voice in shaping the policies and practices that drive success for our students

2. Meeting Norms:

- Start and end on time – honor the agenda and each other's time.
- Stay student-centered – focus decisions on what best supports student learning and success.
- Seek solutions, not just problems – frame concerns with possible recommendations.
- Celebrate progress – acknowledge successes, big and small

3. Campus Data Review (15 min)

- Beginning-of-year student achievement data
- Attendance updates
- Discipline data trends

4. Action Plan Progress Monitoring
