

LYNCH HILL ENTERPRISE ACADEMY

Monday 1st December Week 2

LHEA Parent Newsletter

Welcome to this week's newsletter

I would like to share the excellent levels of work which are happening in so many parts of school now. Staff are working incredibly hard to teach high quality lessons and the students have shown tremendous engagement as a result. We have two external consultants in school this week, working in different areas and both have been very complimentary about what they have seen.

I also wanted to mention the Y11 prom committee who are now up and running in their fund-raising activities for their end of year prom.

Two students who have demonstrated particularly good behaviour for learning this week in their Business Studies lessons are:
Katty J in Y11 &
Burhan A in Y10

Key information & Events

- Thursday 11th December –Year 8 Parents' Evening
- Tuesday 16th December – Rewards Evening
- Wednesday 17th December –Y7 Drama trip
- Friday 19th December – Christmas Jumper Day & End of term (1pm finish)

Why Attendance Matters

When a student misses school, they miss learning that can't be fully recovered. Students with good attendance:

- Achieve higher results
- Build stronger relationships
- Are better prepared for further education or employment

Every day in school counts.

Good attendance is a shared responsibility between home, school, and students. With your support, we can help your child stay on track. If you have any concerns about attendance, please contact our Attendance Officer.

Golden ticket winners

This week's winners for demonstrating good citizenship are :

Henry C (8 Davinci) **Sosena T (11 Einstein)**

Culture Curriculum at Lynch Hill Enterprise Academy

At Lynch Hill Enterprise Academy we have a 'culture curriculum' to create a warm, friendly culture with a sense of rigour and urgency for learning and achievement. Every day we teach our students what good behaviour looks like, to use good manners and the routines we expect to be followed at LHEA. These all help to develop confident young people who are ready to learn.

Next week the culture curriculum will focus on our learning modes which are put in place to promote on task focus ion lessons. These are:

- Active listening - students sit up straight listening, facing the speaker, not communicating with others
- Silent solo -students working silently on their own on an activity
- Partner support - students quietly talking to the person next to them and sharing ideas about the work
- On task talk - students discussing their ideas and work with other students around them

At all times during lessons, students will be in one of the learning modes. The learning mode may change depending on the activity and how the teacher has planned the students to learn.

As families of our students, we would like you to support us in teaching and reinforcing excellent routines with your children and discuss the above with them. Could you also ensure that your child leaves home with their learning wallet

Year 11 Study skill of the week –Retrieval Techniques

- Quick fire quizzes – create questions from your notes that are challenging and write the mark scheme to them.

- Leave it a few days and get someone to test you or test yourself.

- Write what you know in one colour and what you had to look up in another colour. Revisit the stuff you didn't know and revisit again over the next few days.

- Brain dump – as a mind map or a list everything you can remember about a topic or key theme. Then, using your notes, look up what you missed and add them in a different colour. Try again in a few days to ensure you remember more. These brain dumps could be centred around exam questions and be a mini plan for those big questions. Great quick activity to help you know what to prioritise.

- Mnemonics – use when you need to memorise a list of items or a process. Using the first letters of each of the things you need to remember, create a funny sentence to remind you of those things.
