

LYNCH HILL ENTERPRISE ACADEMY

LHEA Parent Newsletter

Welcome to this week's newsletter

I am pleased to report the difference in the quality of learning and behaviour since we changed the order of the school day. This week has been far more productive in the classroom during period 4 and the children have also been better behaved after lunch.

Each week in our school assembly on a Friday, I commend a few students who have shown a positive and focused effort in their lessons during the week. This week, that was for science lessons and a big well done goes to:
Henry C & Balpreet B (8 Da Vinci)
Ashnoor K (9 Einstein)

Finally, can I ask for your support in 'topping up' the learning wallet that was given to your child in September? These have made a huge difference to cutting down on lost learning time in class.

Chris Thomas
Headteacher

Creative Writing Opportunity- Stranger Sagas!

We're thrilled to announce another exciting writing competition for our students -**Stranger Sagas** by Young Writers!
Students are invited to write short, mysterious stories under the theme ''Where mystery meets creativity.''

Fantastic prizes are up for grabs, and the best entries will be published in a real book!
Deadline: Tuesday 16th December.

Golden ticket winners

This week's winners for demonstrating good citizenship are :

Armaan S (8 Einstein) Elyes S (8 Turing)

Culture Curriculum at Lynch Hill Enterprise Academy

This week the culture curriculum has focused on students to using **confident 'business' voices**. This is such an important quality to have, it develops student's oracy skills and will better prepare them for interview and formal situations. This has involved teaching students to:

- Speak loud enough for the rest of the room to hear them
- Try and look at the audience when speaking
- Answer questions in full sentences

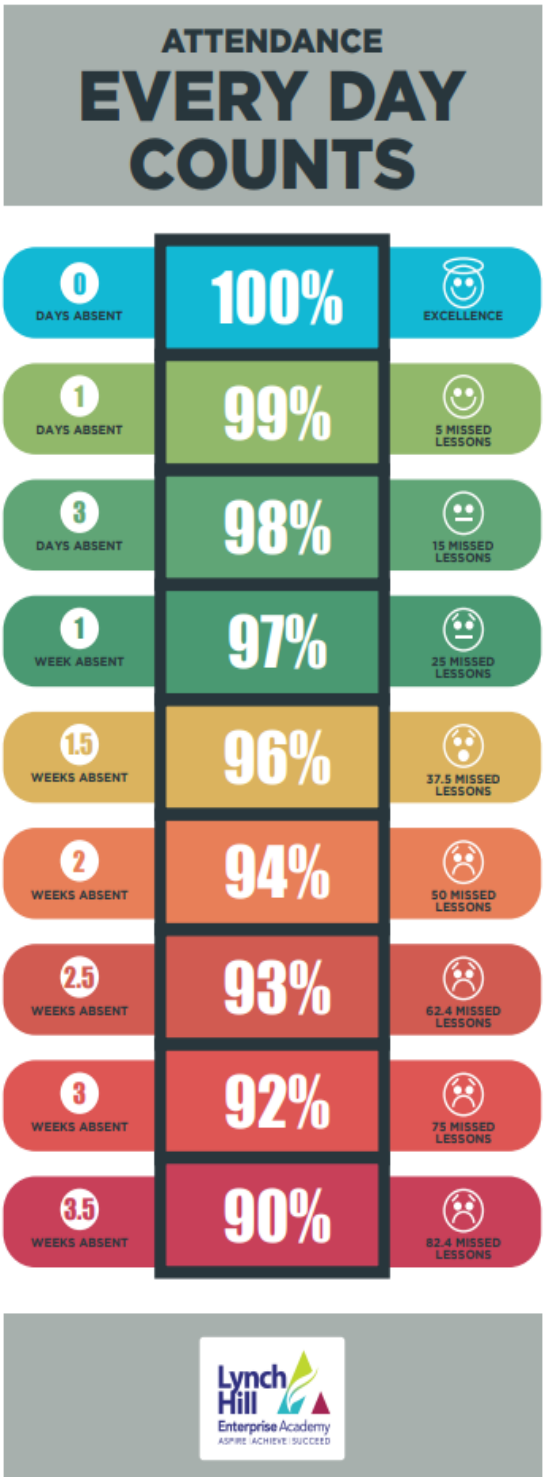

Next week our focus will be on every student being fully equipped to learn.

In September we made a commitment to ensuring that every student is fully equipped to learn by supplying every student with a learning wallet so that no minute of learning time is wasted.

Each Learning Wallet includes the essential tools your child needs for every lesson: a black pen, green pen, ruler, rubber, planner, timetable, mini whiteboard, mini whiteboard pen and rubber. It is now a school expectation that **every student brings their Learning Wallet with them every day**.

We are asking for your full support in ensuring your child has all the equipment in their learning wallet. We will check every student's learning wallet on Monday or Tuesday. If they have one of the above named items missing, this will need to be replaced by Thursday. As families you can either buy the items yourself or use parent pay to purchase the missing item/items from the school. Each individual item costs 50p or it is £5 to replace a learning wallet.

Please support your child and the school by ensuring their learning wallet contains all the relevant equipment. Together, we can ensure every student is prepared, focused, and able to make the most of every learning opportunity.

Securus system in school

As part of our commitment to safeguarding, our school uses *Securus*, an e-safety system that monitors electronic activity in and out of school. This helps us quickly identify any concerns, support positive behaviour, and encourage responsible use of technology.

Securus works closely with leading e-safety experts and provides regular updates and guidance for staff, parents, and students. This supports us in meeting Ofsted expectations around online safety, bullying, and safeguarding.

When Securus flags an incident, it signals a *potential concern for a child*. These alerts are reviewed by our Child Protection Lead or, when needed, through the Securus Full Monitoring Team.

We are also pleased to share that our school has been awarded the **Safe School Award Certificate**, recognising our dedication to providing a safe and secure online environment for all students.
