Class of 2039 Kindergarten Registration

Dear Parents/Guardians:

Congratulations! Our records indicate that your child is scheduled to begin kindergarten in September 2026. What an exciting time for your family! Kindergarten Registration is a three-step process: first, there is paperwork, second a screening of your child, and lastly a Kindergarten Orientation at your home building.

Part I. Please see the kindergarten registration link on the homepage of the school district's website: www.sayvilleschools.org. To begin the registration process, please complete all of the forms listed. The next step will be scheduling an appointment with the completed forms, 2 proofs of your Sayville residency, your child's birth certificate as well as their most recent immunization record. Children who do not have the required immunizations cannot be registered.

Also on the school's website, you will see a link to the Kindergarten Google Calendar. Here you will schedule your 15-minute registration appointment. These will take place at the District Office, 99 Greeley Avenue, Sayville. Your child is not required to be present for this.

Part II. Your child will have a 45-minute screening appointment that will take place during the week of May 4th. You will receive more details about this screening in March/April. Screenings will take place in one of the three elementary schools, most likely your home building.

Part III. On Monday, June 8th at 6 p.m., Kindergarten Introduction to School Success (KISS) will take place at each elementary building. More details will follow from your building principal.

If you have any questions, please call (631) 244-6505 between the hours of 9:00 a.m. - 3:00 p.m. If you wish to leave a message, you can do so at any time. You can also send an email to dgalanti@sayvilleschools.org. We will do our best to return your call by the next business day.

We truly share in your excitement with this upcoming milestone.

Sincerely,

Jillian Makris
