

# Navigating the Class Options

## Viewing sports leagues:

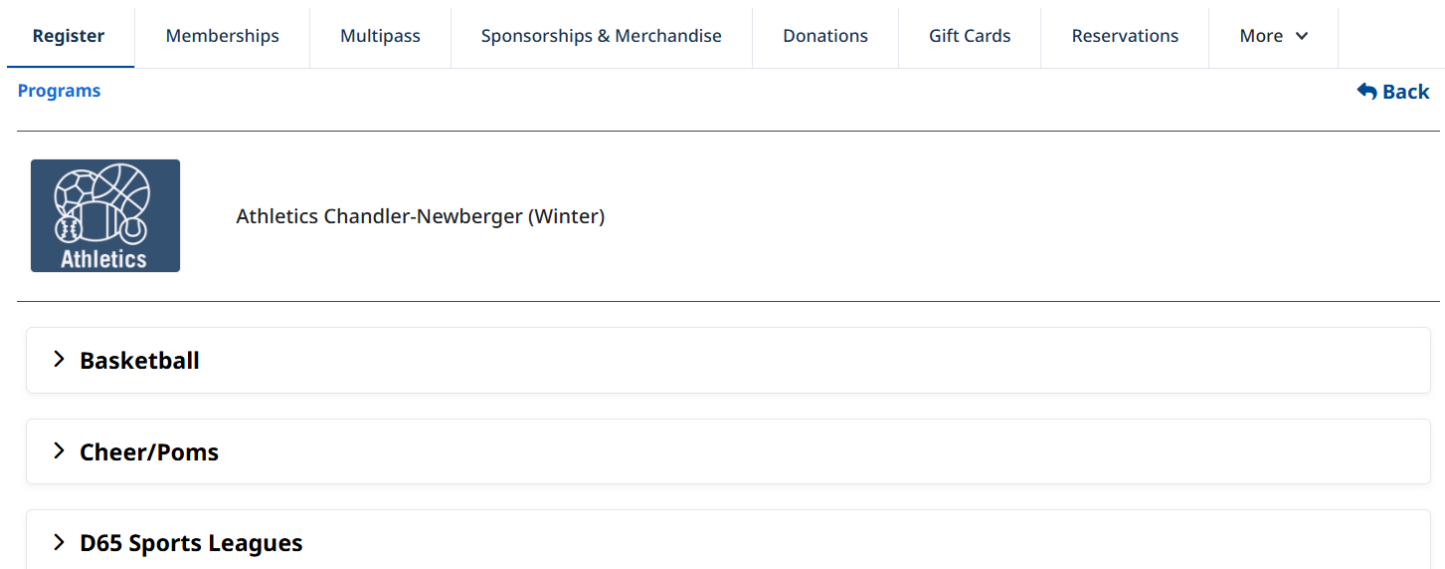

All Winter 2026 programs are currently viewable in Amilia. Use the link below to access the website:

<https://app.amilia.com/en/LoggedOut?orgId=18052>

To add a program to your Wishlist and access faster on registration day, navigate to your desired program by either selecting the icon on the main registration page or using the filters on the left hand side of the screen. D65 Sports Leagues are listed separately under “Athletics - Chandler-Newberger (Winter)” then “D65 Sports Leagues”.

Scroll down and select "D65 Sports Leagues" for a drop down list of the ages/levels offered.

**Click the arrow for "D65 Sports Leagues" to drop down to the league offerings.**

## Registration

### Adding classes to your Wishlist

Adding classes to your wishlist saves time during the registration process. Classes on your Wishlist are easier to navigate to, saving time on registration day. To add a class to your wishlist, select “Add to wishlist” for the class you are interested in saving.

 Edit activity

### Registering for classes on your Wishlist

To view classes saved to your Wishlist, skip all of the navigation instructions in the “Navigating the Class Options” section above and instead select the blue heart icon in the top right corner of the main registration page.

Once you have navigated to your wishlist, you can select the blue + icon under each of your Wishlist classes to add them directly to your shopping cart.

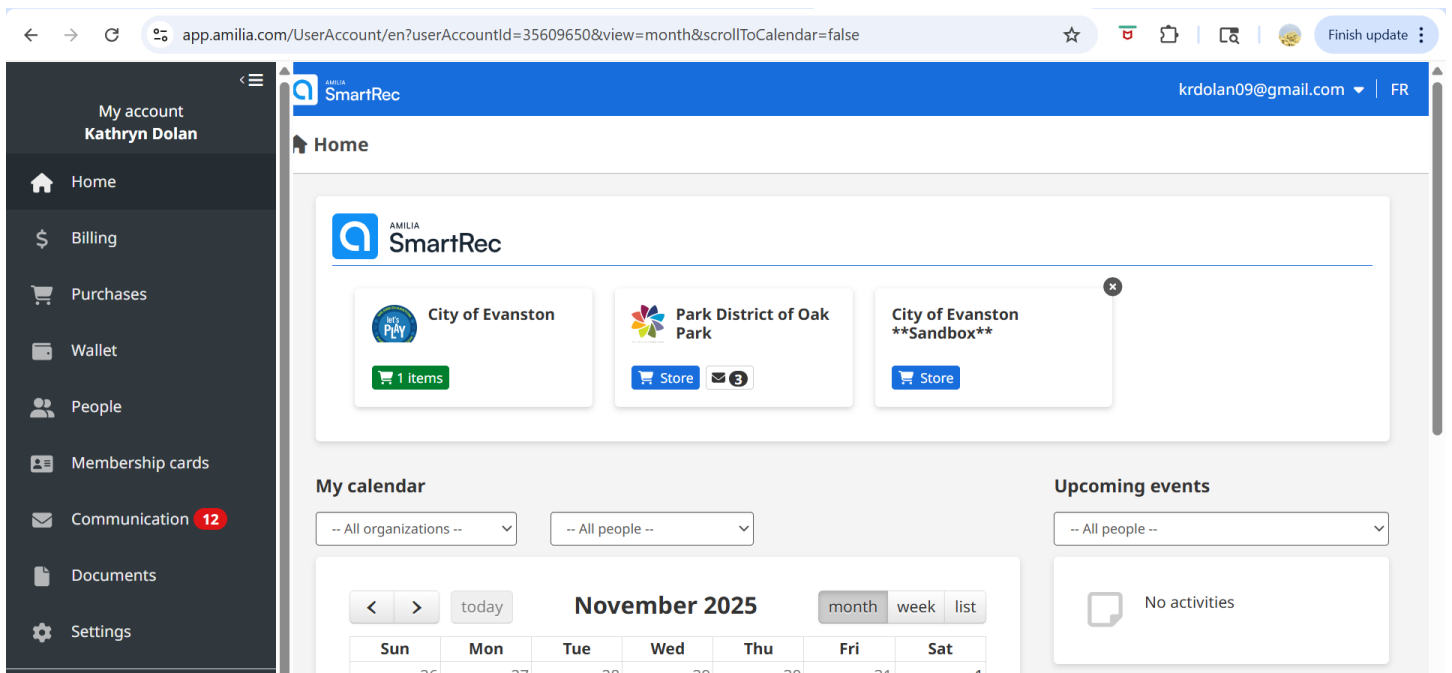

If you are registering for multiple classes, select “continue shopping” after you’ve added each selection to your cart.

Emergency contact and medical information is required for *each* family member you register. The first time you check out you will be prompted to complete the emergency forms. *If you are registering multiple family members, it is best to check out for all of your activities at once, so you do not lose one family member’s spot in a class while filling out the emergency forms for another.*

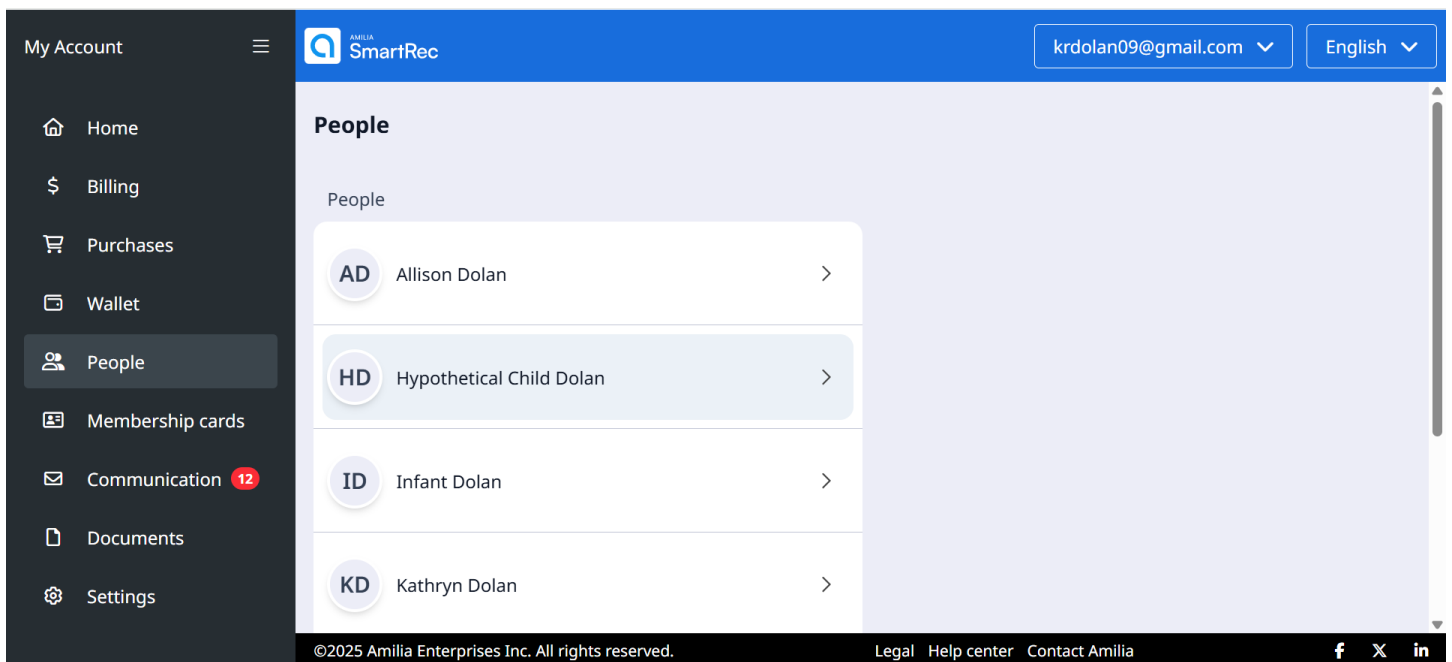

## Required Forms

All patrons will be required to complete the emergency forms and waiver as a prerequisite to registering for a program. To save yourself time on registration day, I recommend filling out the emergency forms in advance for each family member you wish to register.

Select the “People” tab on the left side of the screen.

Select the family member you wish to add information for.

Select each tab under “Health and Emergency” and provide the requested information. Repeat for every family member you wish to register for activities.

## FAQs:

Why is there a price range for each class and why are the fees uneven numbers?

- Our old registration software, RecTrac, allowed admins to create two separate prices for residents and non-residents. With the Amilia software, it's not possible to list two separate resident and non-resident prices, but it is possible to offer a discount for households in 60201 and 60202. When households in 60201 or 60202 register, they will receive a discount on the non-resident price.

Can I receive a refund or transfer out of a class once I've registered?

- Amilia allows patrons to cancel their enrollment and receive a refund through the website, without needing to contact a community center. Scroll to #5 on the Amilia [Cancellation Policies](#) article for instructions.

Do I have to call for my scholarship to be applied?

- For this winter, yes.

Can Amilia store my credit card information for future registrations?

- Yes! Follow the steps in [this article](#).
