Freedom of Information Act (FOIA) Request Form

Name:	DAVID COOK
Address:	[redacted]
Home Phone Number:	[redacted]
E-mail Address:	[redacted]
Public Records Requested (Description of Documents or Information Requested):	Good morning, I hope you are doing well. I have a few policy questions, to which there is no available answer in board policies, nor in South Carolina FOIA statute, nor FERPA statute. I'm requesting a response by the district. So please provide responses via direct link or in the body of an email due to the nature of the request. Under which policy, regarding FOIA, OR FERPA, is an educator, employee, administrator, or staff member permitted to release or disclose any information or emails to anyone who does not have a legitimate educational interest or purpose for knowing such information in the emails, without consent? What is the district policy on sending and receiving emails between any employee BCSD email addresses and that employee's private email account, and sharing emails with anyone outside the district, without consent? Is it permitted? Is said action prohibited?
