### Board of Education Special Meeting and Community Information Session Announced

To Our BV Community,

I am thrilled to announce that in response to our district's need to accommodate growth and maintain optimal educational settings, Buckeye Valley is moving forward with a crucial improvement project: the addition of new instructional space at the current Middle School. This undertaking represents a proactive commitment to ensuring our facilities remain conducive to high-quality learning for all students without additional cost to our community.

We invite all community members and families to participate in the planning process for this important expansion. Please join us for a joint Board of Education Special Meeting and Community Information Session on **Thursday, December 4th, at 6:00 pm** in Baron Hall at the High School, to review the initial phases and conceptual designs of the Middle School addition. This meeting is specifically designed to provide comprehensive transparency and to solicit constructive feedback from our stakeholders that will help to guide and shape the project moving forward.

This event will be an informative session that will provide an opportunity to:

- View the preliminary architectural plans for the new learning spaces.
- Discuss the anticipated project timeline and logistical considerations.

Your input is invaluable as we collaborate to build the best possible future for our students. We look forward to celebrating this foundational step with you and sharing our vision for these new, state-of-the-art learning spaces.

I hope to see you on December 4th!

Ric Stranges

Buckeye Valley Local Schools

## Delaware County Childcare Needs Assessment Survey

The Delaware County Workforce Alliance (DCWA) is conducting a community survey about childcare needs, and we need your input! Lack of access to quality, affordable childcare can be an impediment for those seeking good jobs and for those looking to hire good employees! The DCWA -- a working group of local educators, businesses, public officials, and nonprofits -- is coordinated by the Delaware County Office of Economic Development and is dedicated to finding solutions. Thank you for your participation in this survey.

### **Making Spirits Bright: Supporting Our BV Families This Holiday Season!**

We are excited to announce the launch of our **Making Spirits Bright Campaign**, dedicated to supporting Buckeye Valley families who may need a little extra help during the upcoming holiday season.

Buckeye Valley Local Schools is proud to be partnering with Neighborhood Bridges to facilitate this important drive. Neighborhood Bridges' mission is to help meet the essential needs of students and families right here in our community.

#### **How You Can Get Involved**

Supporting a BV family is easy through our Neighborhood Bridges partnership!

##### **1. Subscribe to the Buckeye Valley Neighborhood Bridges Community**

The most direct way to see and respond to the specific, verified needs of our families—including those for the "Making Spirits Bright" campaign—is by subscribing to their daily email alerts.

- Visit: <https://neighborhoodbridges.org/community/buckeyevalley-oh>
- Action: Click the button to subscribe to the email list.

Every need posted is fully vetted by a school advocate, ensuring your donation goes exactly where it is needed most.

##### **2. Watch for Specific Needs**

Over the coming weeks, look for requests related to the holiday drive, which may include things like winter wear, specific gifts for children, or necessities.

Thank you for helping us make this holiday season a time of warmth, support, and brightness for all of our Buckeye Valley families!
