

SkillsUSA

Their mission: “SkillsUSA is America’s proud champion of the skilled trades. Our mission is to empower students to become skilled professionals, career-ready leaders and responsible community members.”

New Tech Process and Competitions

New Tech strives to provide for the community and apply the SkillsUSA standards within their Project-based learning style, collaborative efforts and encouraged student etiquette.

The New Tech Chapter participates in a variety of competitions: T-Shirt and Pin Design, Outstanding Chapter, Community Service, Photography, Computer Programming, Employment Application Process, Job-Skill Demonstration A, Job-Skill Open, and Job Interview.

New Tech Chapter Achievements

Although considerably new to the program, the New Tech Chapter has won a selection of awards and titles.

Their successes include:

Gold and Silver winners of the Chapter of Excellence for each of the two years they’ve participated as well as a finalist in the Pin Design category.
