ENGAGED IN EDUCATION

Tallulah Falls School is a community where every student thrives. On 500 acres in northeast Georgia, we educate day students (grades 4–12) and boarding students (grades 7–12) with 22 dual-enrollment courses, championship athletics, a vibrant arts program, and hands-on experiential learning. With a 100% college acceptance rate, students grow academically and personally while learning alongside peers from over 35 nations. Guided by scholarship, character, service, and global understanding, TFS is a place where every student belongs, contributes, and makes a difference.

Our Campus
Set on 500 acres of wooded land on Cherokee Mountain in Northeast Georgia, TFS combines timeless architecture, modern facilities, and outdoor adventure with easy access to both small-town charm and city culture.

Value + Opportunity
A close-knit community with big-school opportunities, championship athletics, vibrant arts, hands-on learning, and leadership development, supported by substantial financial assistance for families of all backgrounds.

A Diverse Culture
Students from 35 countries collaborate across campus, learning from one another in classrooms and dorms. This global community fosters cross-cultural understanding and inspires a broader worldview.

Academic Excellence
TFS students don't just prepare for college—they start it early. In 2025–26, we offered 22 dual enrollment and 14 AP courses, with 95% of seniors earning an average of 27 college credit hours before graduation, with most starting college as sophomores.

Proven Results
The Class of 2025 collectively earned 2,500 college credit hours and achieved 100% acceptance to 140 colleges and universities. TFS students are challenged and succeed at the highest levels.

Faculty Excellence
Our expert teachers bring exceptional experience and enthusiasm to the classroom. The majority hold advanced degrees, and every teacher brings learning to life – ensuring our students thrive.

Small Classes, Big Impact
With an average of 13 students per class and a student–to–teacher ratio of 9:1, TFS delivers personalized attention in a supportive, high-achieving environment.

Championship Athletics
With over 40 teams in 14 sports, TFS is in a "golden era" of athletics, boasting multiple state and national titles, 100+ college athletes, and student participation rates exceeding 75%.

Day Student Shuttle Service
Convenient shuttle routes connect eight locations across five North Georgia counties.

Experiential Learning
Learning at TFS goes beyond the classroom. Hands-on projects, field experiences, and travel spark curiosity, deepen understanding, and build real-world skills.

Character Development
Guided by the *Tallulah 12* and our House system, TFS instills values of integrity, kindness, confidence, and community—shaping students who lead with character.

Swim at School
Our Natatorium offers programs across all divisions—from Red Cross Learn to Swim for younger students to fitness, safety, and outdoor education courses for upper grades—ensuring that every student becomes water proficient and confident.

Drone Program
Through Drone Launch Academy, upper school students can earn their commercial drone license—a unique opportunity offered by only a few secondary schools nationwide.
