2026-2027 CASTEEL HIGH SCHOOL FRESHMAN REGISTRATION WORKSHEET

This worksheet is to prepare students for online registration in their Academic Plan in Infinite Campus. We hire teachers and create a master schedule based on student requests. Please consider your selections carefully, as we will be unable to accommodate schedule changes after schedules are created. By signing, we acknowledge that we have read the Course Description Catalog and understand any pre-requisites and fees associated with the requested courses.

Note to Parents: If you encourage your child to take an honors or AP class, please have a conversation with this year's current teacher to ensure proper placement. Also note that leveling down in the future can be challenging if it means exceeding class size maximums. Students cannot change levels until quarter 1 progress reports (approximately 4.5 weeks into the school year).

- **Students must register for 6 classes.**
- **Students must provide at least two (2) alternative choices for electives in case their original choices are unavailable.**
- **Students registering for Release Time (Seminary) must indicate this at the bottom of the page. This will replace one elective and does not contribute toward graduation requirements. Students must register for Chandler Online Academy or Zero Hour to replace this credit.**
- **Dual Enrollment course offerings may vary depending on teacher availability.**
