

# ANNUAL REPORT ON PHILANTHROPY

July 1, 2024 - June 30, 2025

Dear Friends,

One hundred and fifty years ago, Elizabeth Taber’s remarkable vision and generosity shaped the heart of our community. Her unwavering commitment to the education of young people founded this extraordinary institution and set the stage for a century and a half of transforming lives, creating opportunities, and expanding minds. Her gifts were never simply acts of charity; they were investments in a better future. Today, her legacy endures in every classroom and community space, on every field and stage, and with every initiative that benefits from her belief in the power of giving back.

As each fiscal year comes to a close, I am consistently and overwhelmingly proud of our community and how Mrs. Taber’s original call to action has grown and flourished. Your choice to make Tabor a personal and philanthropic priority honors her and highlights your shared commitment to our students, faculty, and facilities.

The 2024-2025 fiscal year was a defining moment in Tabor’s history and one to be extraordinarily proud of. Donors contributed nearly \$17 million in philanthropic gifts to all aspects of our program and community, including unrestricted funds, financial aid, academics, athletics, arts, capital needs, endowment, and so much more.

This support from more than 2,100 members of the Tabor community allows us to bring to life the mission and vision of Tabor, to enhance the student experience, to provide resources for our faculty and their programs, and to continue to establish long-term financial stability.

It is impossible to miss the energy and enthusiasm that flows through the campus grounds. If it has been a while since you visited, I invite you to come and see for yourself. Mrs. Taber would be pleased to know that her legacy not only lives on, but thrives in the minds and hearts of the thousands of individuals now connected through our shared history.

You are the stewards of that legacy. Through your support and continued commitment, you help carry forward the very ideals that defined Mrs. Taber’s life and ensure that her story continues to inspire for the next one hundred and fifty years at Tabor.

As always, we appreciate you, your commitment, and the impact you have every day on Seawolf Nation!

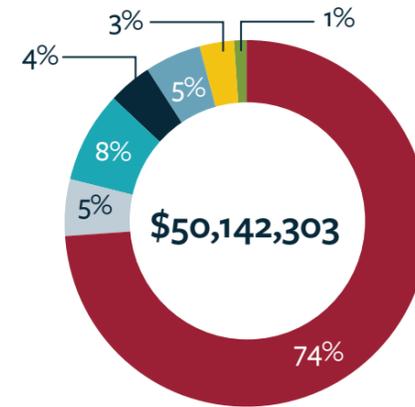

With sincere gratitude,

Stephen Ginter  
Director of Advancement

### TOTAL DOLLARS RAISED

# Investing Boldly

## Esteemed Donors Support Tabor Today and Tomorrow

**T**HE 2024-2025 FISCAL YEAR WAS DEFINED BY MOMENTUM AND PROMISE, BEGINNING WITH THE HISTORIC \$10 MILLION COMMITMENT BY JOHN FISH '78, P'15 AND HIS WIFE CYNTHIA FISH P'15. BUILDING ON THAT SUPPORT, TABOR ACADEMY IS PROUD TO CELEBRATE FIVE ADDITIONAL DONORS MAKING COMMITMENTS OF \$1 MILLION OR MORE DURING THIS PAST FISCAL YEAR. SUPPORTING A WIDE RANGE OF PRIORITIES, THESE DONORS ARE AFFIRMING THEIR BELIEF IN TABOR'S MISSION AND INVESTING BOLDLY IN ITS VALUES AND VISION.

### Transformational Investment in the Tabor Experience

JOHN '78, P'15 AND CYNTHIA FISH P'15

In February, Tabor Academy announced a transformational \$10 million commitment from **John Fish '78, P'15** and his wife Cynthia Fish P'15, marking the largest single pledge of support in the school's history.

"Tabor Academy will always hold a very special place in my heart. While attending Tabor in high school, I built lasting relationships with teachers and coaches who changed my life forever. Through Tabor academics and athletics, I learned the value of collaboration, leadership, courage and caring—core values that are important to me today. But most importantly, at Tabor I learned winning isn't normal and that anything is possible if you believe in yourself," said John Fish. "Cyndy and I are thrilled to support this incredible institution of learning and its ambitious plans for the future."

Head of School Tony Jaccaci said, "We are deeply grateful to John and Cyndy for this inspirational gift that will allow us to change lives in profound and transformational ways at Tabor. John and Cyndy live the values of our school,

and this generosity is a testament to their commitment to connect, serve, and lead. A gift of this magnitude will make a deep difference in providing the best education possible for our students and I know will motivate others to support as well."

The Fish family has been a long-time advocate for education and a dedicated supporter of Tabor Academy for many years. The Fish family's generous financial commitment will have a lasting impact on Tabor and will strengthen the foundation of the School by the Sea for many generations to come in three key areas:

#### Empowering Excellence: Faculty and Staff Support

Tabor's strength lies in its people. This gift will enhance professional development opportunities and support the recruitment and retention of outstanding faculty and staff, ensuring Tabor continues to attract and nurture the best educators.

#### Thriving Together as Teams

From the waterfront to the fields and courts, athletics play an integral role in shaping the student experience at Tabor and developing essential life skills through collaborative teamwork and leadership. This gift will bolster our athletic programs,

providing essential resources for coaching, training, and programmatic support that will elevate our teams.

#### Enriching Minds, Enabling Dreams

A Tabor education should be within reach for all talented students who seek it. A significant portion of this gift will be dedicated to financial aid, ensuring that our 'best-fit' students—regardless of financial circumstances—can access all that Tabor has to offer.

"John and Cyndy's generosity has shaped Tabor in profound ways. Their unwavering commitment ensures that our school remains strong, accessible, and true to its mission," said Stephen Ginter, Director of Advancement.

#### Building Access and Opportunity

STEVE SPRAGUE '68 AND CATHY CAPASSO

For **Steve Sprague '68** and Cathy Capasso, supporting Tabor is deeply personal. With long-standing ties to the school and a deep belief in the value of independent school education, Steve and Cathy have consistently demonstrated their commitment through both action and transformative philanthropy.

Last year alone, their gifts—totaling nearly \$4.5 million—are helping fund student financial aid, vital campus improvements, the 150th anniversary celebration, Fund for Tabor unrestricted giving, and the historic schooner SSV *Tabor Boy*. To further inspire giving, Steve and Cathy launched a dollar-for-dollar challenge match (up to \$2.5

million) to encourage additional support for *Tabor Boy* and its experiential learning program, ensuring the long-term viability and support for this important part of life at Tabor.

“Tabor has been a part of our lives for a long time, and we’ve seen firsthand the impact it can have on students,” says Steve. “Our support is about helping the school stay strong and forward-thinking—ensuring that future generations can benefit from all that makes Tabor special: the people, the place, and the opportunities that define a Tabor education.”

Stephen Ginter, Director of Advancement, says, “Steve and Cathy’s support of Tabor is both wide-reaching and impactful. They care about this school on every level—its people, its programs, and its future. Whether it’s ensuring access through financial aid or preserving traditions like *Tabor Boy*, their generosity consistently reflects their belief in what makes Tabor special. I’m incredibly grateful for their partnership and the trust they place in our work.”

## Investing in Campus Sustainability and Coastal Resilience

ROBIN DRIPPS ’60 AND LUCIA PHINNEY

When **Robin Dripps ’60** and Lucia Phinney made their recent \$4 million commitment to Tabor, they did so with a vision to help this School by the Sea thrive for generations to come. Their generous support focuses on campus resiliency, sustainability, and adaptive design—key areas for coastal

institutions like Tabor, facing climate change and environmental challenges.

Robin, a proud Tabor alum and T. David Fitz-Gibbon Professor of Architecture at the University of Virginia, has long held a personal and professional interest for design and architecture. This investment by Robin and Lucia will directly support campus resiliency, ensuring Tabor can maintain its distinct seaside campus and adapt to environmental, technological, and societal changes, while remaining anchored in its mission, preparing students to tackle urgent environmental issues.

“Tabor is a unique institution with its location and commitment to the sea,” Robin says. “While it provides the means for strong sailing and rowing programs and supports students learning essential skills while engaged with an ancient schooner, the sea is also a powerful index about the state of a changing environment. My return to Tabor more than 60 years after graduating revealed an exciting campus animated by committed students. These students will be crucial players in a future needing to contend with difficult questions about the environment and the state of democracy. If our gift supports a curriculum and campus design further preparing students to lead in these difficult times, then this is money well spent.”

James Bonsey, Chief Financial Officer at Tabor, adds, “This extremely generous and forward-thinking contribution from Robin and Lucia demonstrates their genuine resolve to make a difference by significantly boosting Tabor’s ability to prepare the

campus for a resilient and sustainable future, while enabling the school to become a recognized leader in thoughtful strategic planning and implementation.”

## Preserving Tabor’s Story

### A TRANSFORMATIVE GIFT TO THE ARCHIVES ENDOWMENT

Tabor is proud to recognize the generosity of an anonymous donor, whose giving last fiscal year of \$1.5 million to the Archives Endowment Fund brings their total giving to this initiative to \$3 million. This fund, established through the donor’s initial investment, was created to support the preservation and sharing of Tabor’s rich history, ensuring that the School by the Sea remains deeply connected to its roots even as it thinks about its next 150 years and beyond.

The Archives Endowment Fund is intended to support the salary of the school archivist, as well as research, teaching, administrative support, and related services. It represents a profound and ongoing commitment to honoring the people, traditions, and events that have shaped Tabor since 1876.

Now housed in the beautiful new Archives Room within the Travis Roy Campus Center, the collection has quickly become a favorite stop for visitors, especially alumni returning to campus. With its thoughtful design and immersive exhibits, the Archives Room is more than just a repository of documents, it is a living space that tells the story of Tabor’s evolution through generations of students, faculty, and friends.

Sophie Arnfield, Tabor Archivist, shares, “I’m deeply grateful for this transformational gift, which ensures that the history of Tabor—once tucked into library corners—will now be preserved, shared, and celebrated for generations to come. It’s a powerful affirmation of the role our archives play in building community through our shared story.”

### Championing Student Access and Immediate Impact

DAN FIREMAN '90

Dan Fireman '90 and the Paul & Phyllis Fireman Foundation committed \$1 million to strengthen Tabor’s operating budget and expand financial aid. For families seeking a boarding school education in Massachusetts, access and affordability are crucial—and this gift makes a direct and immediate impact.

“My family and I gave this gift to Tabor as the school prepares to celebrate its 150th year with a focus on both the present and the future. “While our gift supports the immediate needs of the school, we do so with the confidence that Head of School Tony Jaccaci and the Board of Trustees have made growing the endowment, to ensure long-term stability and sustainability, a priority,” says Dan.

Together with his sister **Stephanie Fireman Rogers '88** and father **Paul Fireman '62**, the Fireman family’s lifetime giving exceeds \$4 million. Their philanthropy has helped fund the Fireman Performing Arts Center, the Robert V.

Sweeney Scholarship Fund, and the ASSIST Center in the Travis Roy Campus Center—demonstrating how alumni giving shapes the lives of students for generations to come.

The Fireman Family’s cumulative philanthropic support is tremendous, but this gift, specifically designed to enable the school to be financially nimble today, is having a different kind of lasting impact and one that is sure to inspire others to consider how both immediate impact support and endowed support both contribute to Tabor’s long-term success.

“Thanks to the Fireman generosity, we’re able to say ‘yes’ to more incredible students who might not otherwise have access to a Tabor education,” emphasizes Eric Long, Director of Enrollment Management. “Their support isn’t just financial—it’s life-changing. They’re opening doors, creating opportunity, and making our community stronger.”

### Investing in Athletics

ANDREW '82, NIGEL '22 & WINSTON IVORY '23

When **Andrew Ivory '82** was a student at Tabor he played on the boys’ soccer team with **Ian Patrick '84**, who is the head coach of the team today. “Playing soccer at Tabor was one of the highlights of my time

in Marion in the late 70s-early 80s,” says Andrew. “And when my wife and I decided to look at boarding schools for our two boys, it was a full circle moment to find that Ian was the Tabor coach.” **Nigel '22** and **Winston '23**, who is continuing his soccer career at Chapman University in CA, arrived at Tabor from their hometown of Montreal in the fall of 2020, during the COVID-19 pandemic. “It wasn’t a typical soccer season as we were unable to travel to other schools, but we did a lot of intersquad scrimmaging and Nigel and Winston had an immediate impact on the group,” remembers Ian.

Recognizing that Tabor’s athletic teams compete at a high level as a part of the ISL, and that the competition for recruiting talented players is steep, the Ivory family has committed \$1,000,000 over the next several years to fund financial aid scholarships for qualified student athletes. “We are making this investment so that the boys’ soccer program will be elevated by the level of play on the field, and also to provide opportunities to student athletes who will also contribute to the broader Tabor community,” says Andrew.

In addition to this generous investment in financial aid, last year the Ivory family provided funding for the scoreboard for the newly turfed lower chapel Fish Field where,

this past fall, Coach Patrick and the team played their home games.

### A Shared Commitment to the Future

These remarkable gifts come at a pivotal time for Tabor. With its Mapping Our Journey strategic plan, the school is advancing with a vision for a transformative decade ahead. None of this progress would be possible without the dedication of the school’s philanthropic donors.

“Each of these remarkable gifts reflects a powerful belief in Tabor’s mission and an inspiring commitment to our students,” says Tony Jaccaci, Head of School. “These donors are helping shape the future of

the School by the Sea—making it more accessible, more sustainable, and more visionary. As Tabor continues to educate and empower students to lead with courage, curiosity, care, and collaboration, the school does so with sincere gratitude for the donors, alumni, families, and foundations whose generosity makes this journey possible.” ♦

## ENDOWMENT FUNDS - JUNE 30, 2025

## ENDOWMENT FOR SCHOLARSHIP

The William C. Alden Scholarship Fund	The John H. Hughes Scholarship Fund
The Alumni Scholarship Fund	The Lt. Col. William A. Illingworth III, MD '65 Scholarship Fund
The Arms Family Scholarship Fund	The Turner Taber Jenkins Memorial Scholarship
The Barker Family Scholarship Fund	The Keith Family Scholarship Fund
The Theodore H. Barth Foundation Scholarship Fund	The Robert D. Kiernan Scholarship Fund
The Thomas Bishop Scholarship Fund	The William W. Knight III '52 Scholarship Fund
The Gwendolyn S. Bleakley Family Scholarship Fund	The Lucien Lavoie Memorial Scholarship Fund

**‡ Anchor Society**

Tabor's Anchor Society honors our most loyal donors. Through consistent financial support over the past two or more consecutive years, members' annual gifts, no matter the size, continue to transform our campus and the lives of our students.

**♦ Platinum Anchor Society**

This society recognizes those alumni who have given every year since graduation or have been a Tabor supporter for 30 or more consecutive years. Providing thoughtful and timely support year after year, members are dedicated to Tabor's work and invested in its mission.
