'Tis the Season

Donate to help our furry friends this winter.

South Jersey Rescue is based in Gibbstown, with foster homes located throughout Camden and Gloucester Counties. Their mission is to take in as many cats, dogs, and small animals as possible and provide them with a second chance at life in a loving, forever home. This important work is costly—veterinary care, food, and necessary medications add up quickly.

Haviland Avenue will be collecting some of the most needed items to support this organization. On the back of this letter, you will find a list of the items we are collecting. Please send any donations in with students between now and Friday, December 19th.

If you have any questions, please feel free to contact me at **kbrach@audubonschools.org**.

Thank you in advance for your generosity and support!
