Aledo ISD, in partnership with the City of Willow Park and Parker County Emergency Services District 1, secured two future school sites to support the district's fast growth. Thanks to strong collaboration with local cities, developers, and the ESD, both land acquisitions were completed with no impact to the land budget in the 2023 Aledo ISD Bond. The district acquired 40 acres from Beggs Ranch through a sewer easement swap - located in Willow Park's ETJ north of I-20 with access from Ranch House Road. AISD also received a 12-acre donated site for a future elementary school near Kelly Road and Bear Creek Road in Kelly Ranch Estates.

Aledo ISD, like businesses and families, is struggling with the impact of **HISTORIC INFLATION** and pressure to keep salaries competitive.

Inflationary Increases in Our District Since 2019

In 2024, our district costs **EXCEEDED STATE FUNDING** for several important areas.
