3 Ways to Give

The holidays are a wonderful time to
show gratitude and give back. GLVP has
a strong tradition of supporting our
community, and there are 3 ways you
and your family can get involved.

Spotlight: Math & ELA Tutoring

Attention Middle School and High School Full-Time students - Do you need help with your Math or ELA school work? We offer in-person help and tutoring on Thursdays.

This is your chance to get the dedicated, personalized support you need to succeed. Think of it as a study hall, but with an expert math and ELA tutor or teacher right there to help you!

When: Every Thursday, starting December 4

Where: Living Hope Community Church *IN PERSON*

Time: 1:00 - 3:00 pm

Who: All 6th - 12th grade full time virtual students looking to strengthen their skills, ask questions, and have some fun!

What Makes This Lab Different?

This is not more online work—it's personalized attention and engaging, face-to-face practice!

- **Dedicated Time:** One full hour with a Math Teacher and one full hour with an ELA Teacher.
- **Targeted Support:** Get one-on-one and small group tutoring specifically for your GLVP course assignments and tough concepts.
- **Low-Stress:** A relaxed, no-pressure atmosphere complete with a yummy snack in between sessions!
- **Build Confidence:** Ask those questions you've been saving and master your skills.
