

Job Description

Marin County Office of Education

Deaf and Hard of Hearing (DHH) Education Specialist

Diversity, Equity, Inclusion, and Belonging (DEIB) Vision Statement:

At Marin County Office of Education, we commit to being inclusive, anti-racist, and culturally proficient.

Purpose Statement

The job of Deaf and Hard of Hearing (DHH) Education Specialist is done for the purpose/s of planning, developing, and implementing programs, strategies, and techniques to address the individual learning needs of students; assisting and participating in the development and implementation of Individual Educational Plans (IEPs) and Individualized Family Service Plans (IFSPs); conducting comprehensive assessments; consulting and collaborating with a variety of groups/individuals concerning the hearing needs of students; identifying students' assistive technology and accessibility needs; preparing, maintaining and submitting a variety of reports, files, and documents; providing training, guidance, and support to a variety of cohorts; providing appropriate individualized programs for individual students' needs; and scheduling and coordinating student services.

This Job reports to Assigned Supervisor

Essential Functions

- Assists and participates in the development and implementation of Individual Educational Plans (IEPs) and Individualized Family Service Plans (IFSPs) for eligible students (e.g. instructional goals, educational objectives, etc.) for the purpose of improving student performance and success in academic, interpersonal, and daily living skills, and adhering to IEP/IFSP timelines and legal requirements.
- Conducts comprehensive assessments and provides appropriate DHH services for students from birth through age 22 (e.g. screen, identify, assess, monitor, etc.) for the purpose of providing comprehensive services related to hearing impairments in an educational setting; applying a continuum of service options and adhering to legal requirements/procedures as outlined in the California Code of Regulations Title 5; and, providing eligible students meaningful educational opportunities toward academic progress.
- Consults and collaborates with a variety of groups and/or individuals concerning the hearing needs of students and intervention strategies (e.g. school personnel, classroom teams, parents, service providers/agencies, etc.) for the purpose of improving the overall quality of student outcomes; contributing to a sense of belonging in the classroom and on campus; responding to inquiries in a timely manner; providing program services information, student progress, and identifying resources for students; and, serving as a technical resource concerning assigned program, function, or instructional area.
- Identifies students' assistive technology and accessibility needs and submits requests for necessary equipment, materials, and/or resources for the purpose of ensuring the availability of supplies, materials, and equipment needed to support students; and complying with MCOE procurement procedures.
- Participates in meetings, workshops, committees, and seminars (e.g. training, IEPs, team meetings, etc.) for the purpose of conveying and/or gathering information required to perform essential functions, maintaining knowledge base, and improving performance.
- Plans, develops, and implements programs, strategies, and techniques to address the individual learning needs of students for the purpose of establishing the least restrictive and appropriate learning environment, striving to meet individual students' set goals and objectives, and providing opportunities for academic success.

- Prepares and submits a variety of reports, files, and documentation pertaining to each assigned student enrolled (e.g. diagnostic and assessment information, students goals and objectives, parent and/or other professionals conference/contact notes, student progress records, attendance records, service records, etc.) for the purpose of maintaining accurate records and timely compliance with assigned or required county and/or state reporting regulations.
- Prepares and maintains a variety of electronic and/or written materials (e.g. IEP records, monthly service logs, current work schedule, data collection, etc.) for the purpose of documenting student progress, presenting data in formal IEP meetings, ensuring a work schedule to meet the essential functions of the position, and meeting mandated requirements.
- Provides training, guidance, and support to a variety of cohorts (e.g. teachers, support teams, etc.) for the purpose of providing instruction and strategies for appropriate and effective utilization of student aids, techniques, or solutions addressing the needs of individual students.
- Provides appropriate individualized programs for the purpose of meeting individual students' needs, supporting student involvement in the therapeutic process, promoting personal responsibility and ownership of communication improvement goals, and supporting the development of self-advocacy.
- Reports incidents (e.g. student injuries, suspected child abuse, suspected substance abuse, etc.) for the purpose of maintaining personal safety of students, providing a positive learning environment, and adhering to Education Code, SELPA, and county policies.
- Researches applicable resources and methods (e.g. intervention and assistive technology, assessment tools and methods, community resources, etc.) for the purpose of determining the appropriate approach for addressing students' needs and maintaining current professional knowledge.
- Responds to emergency situations for the purpose of supporting immediate safety concerns and/or directing appropriate administrative personnel for resolution, and maintaining compliance with mandatory safety regulations.
- Transports supplies and equipment to a variety of sites for the purpose of ensuring the availability of items as needed.
- Works independently to schedule and coordinate student services (e.g. assessments, adaptive learning sessions, student service time, etc.) for the purpose of assessing and responding to needs of referred students, providing required timely and efficient services, and maintaining compliance with students' Individualized Education Plan.

Other Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities

SKILLS are required to perform multiple, highly complex, technical tasks with a need to occasionally upgrade skills in order to meet changing job conditions. Specific skill based competencies required to satisfactorily perform the functions of the job include: selecting and applying appropriate assessment instruments; operating standard office equipment including pertinent computer software; applying curriculum and instructional techniques; utilizing student assistive learning devices and physical aids/equipment; and preparing and maintaining accurate records.

KNOWLEDGE is required to perform algebra and/or geometry; review and interpret highly technical information, write technical materials, and/or speak persuasively to implement desired actions; and analyze situations to define issues and draw conclusions.
