

The History Museum experience is made possible through a long-standing partnership between Springfield Public Schools and the Springfield History Museum on the Square.

WHAT IS THE HISTORY MUSEUM EXPERIENCE?

The History Museum experience is a hands-on learning experience designed for 3rd grade students from 16 SPS sites. This immersive experience helps students explore Missouri's past through artifacts, exhibits, and guided activities that make history come alive. Each class visits one time during the fall semester.

LEARNING CONNECTIONS

Aligned to Missouri 3rd Grade Social Studies Standards, this experience supports learning in:

- Missouri communities—past and present
- Cultural traditions and historic perspectives
- Civic engagement and government
- Geography and how places change over time
- Historical inquiry and the study of artifacts
